Canyon Schools Study New Building Program

Canyon School System faces the prospect of going into another building program within the next two years.

This is what Supt. Huelyn Laycock told members of the school board Tuesday night just two days after open house for some \$600,000 worth of new plant facility.

The school district population is growing at an accelerated rate, board members were told.

Laycock said the new elementary building for which open house was held Sunday has only five excess rooms at the present time and that these will be filled next year.

There was a suggestion that a committee be appointed to study school needs in light of rapid growth.

Consensus of board members was that the next elementary building probably will be constructed in the north part of the school district, probably in South Amarillo. The district already has an option on a site on Arden Road in South Amarillo. The option on that tract expires in 1966.

"It will be less than two years until we have to build," Laycock told the board.

Board member Wesley Cox suggested that developers be requested to supply sites for schools in the future.

Growth of the school district

population is credited largely to rapid growth of Canyon, South Amarillo and the development of tracts between Canyon and Amarillo.

The board accepted a recommendation on percentage participation of local insurance agents in the school's insurance program.

Canyon Club Slates Big Funfest Friday

Family fun is in order for Canyon folks as they journey to the Junior High School gymnasium Friday night for the Canyon Rotary Club's Fall Festival.

Family members of all ages will be delighted with such entertainment novelties as Freddie the Fireman, an Amarillo television personality, the crowning of a festival queen from a field of four high school candidates, games and prizes of all types.

Voting for the queen contestants begins at 6:30 p.m. as the doors of the carnival open. Mary Ann Wheelock, Cynthia Gerald, Janet Ritter and Nancy Meyer are the four girls vying for the title.

Miss Wheelock is the daughter of Mr. and Mrs. R. D. Wheelock. She is a senior in Canyon and is being sponsored by the Kiwanis Club.

Miss Gerald is the daughter of Mr. and Mrs. Charles Gerald of Canyon. She is being

sponsored by the Lions Club and is a junior in high school.

Janet Ritter is a sophomore in Canyon High School and is the daughter of Mr. and Mrs. George Ritter. She is the candidate backed by the Rotary Club.

Nancy Meyer, freshman at Canyon Junior High School, is the daughter of Mr. and Mrs. Erwin H. Meyer. Junior Chamber of Commerce is sponsoring Nancy for festival queen.

Jerry LaGrone, chairman of the queen contest, said this week votes will be cast at the queen booth. One cent will equal one vote for the candidates. The crowning of the queen will be at 9 p.m.

Many booths will be set up and operated at the festival headquarter in the gymnasium. Prizes will be given away at the conclusion of the festival program.

Members of the Rotary-Anns will sell canned foods, preserves and other home-made candies, cakes and pies from country kitchen booth. Frank Morgan is chairman of the country kitchen concession.

Food concession chairman Joe Gidden has announced that sloppy-joe burgers and a variety of other foods will be on sale during the evening of festivities.

"We hope that the people will not eat their evening meal before coming to the festival, but wait and plan to eat at the carnival," Gidden said.

Paige Carruth, president-elect of the Canyon Rotary Club and general chairman for the festival, said profits will go to youth activities sponsored by the club. He emphasized that the entire carnival is planned for family entertainment and he urged everybody to set aside Friday night and attend the activities.

C. E. WEYMOUTH, seated, shows West Texas State University Pres. James P. Cornette, left, and Dr. Emmitt D. Smith, director of program development and research, a letter he mailed to WTSU, notifying Dr. Cornette of the \$500,000

grant to the institution for establishment of a Killgore Research Center. The grant is from the Killgore Foundation of Amarillo, of which Weymouth is a trustee.

Killgore Makes \$500,000 Gift

A \$500,000 grant from the Killgore Foundation of Amarillo has been awarded to West Texas State University for the establishment of the proposed Killgore Research Center on the campus here. Announcement of the grant came from C. E. Weymouth, A. A. Bush, and W. N. Durham, Jr., trustees of the Florence Lee and C. L. Killgore Foundation.

Dr. James P. Cornette, president of West Texas State, expressed "gratitude to the foundation on behalf of this institution," and said the grant would go toward construction of and equipment for the center.

"The granting of these funds we feel sure, makes it possible to secure additional funds from the National Science Foundation and other sources," Dr. Cornette said.

Initial step for establishing the center was made last spring when the Legislature passed House Bill 523 by Hudson Moyer of Amarillo, authorizing West Texas State's board of regents to accept gifts and donations from the Killgore Foundation and other sources to establish the Killgore Research Center at WTSU.

The statute also provides that maintenance and administration of the center "shall be the responsibility of the State of Texas acting through the administration of West Texas State University, with the advice and assistance of an advisory council on research selected by the administration and the donors."

Target date for completion of a building to house the center is the fall of 1965, according to Dr. Emmitt D. Smith, director of program development and research at WTSU. The building, tentative plans for which are now being drawn by architects, will be located in the center of the campus just north of the Administration Building, he said.

"The Killgore Research Center will house laboratories for graduate research and training in the life sciences, physical sciences, both space and earth sciences, and in mathematics," Dr. Smith said.

About half the building will be used for data processing and computer units, and the rest for laboratories, a science library and reading room, and office space for administration.

The program will be dedicated to basic research and will be open to any member of the

Students Listed In Who's Who

Thirty-three juniors and seniors have been selected by the Student Honors Committee to represent West Texas State University in the 1963-64 edition of "Who's Who Among Students in American Universities and Colleges."

Winners were chosen from among nominees submitted by the university's departments and student organizations, according to Elizabeth Davidson, assistant professor of history who serves as committee chairman.

4-H Award Program Is Saturday

Randall County's outstanding 4-H Club members will be recognized Saturday night at the annual Achievement Program for 1963.

George Dowlen, Canyon attorney and former member of the Randall County 4-H Club, will be the featured speaker for the evening.

All club members, their parents, leaders and friends of

4-H will gather at the Randall County Junior Livestock Building at 7 p.m. More than a score of boys and girls who have won awards for their efforts during the year will receive certificates, medals, and pins as regards for their achievements.

Members of the Wagon Wheel 4-H Club and their leaders will serve refreshments and members of the Workers 4-H Club will be in charge of decorating for the event. Co-chairmen of the planning committee are Gary Fletcher and Ann Fisher.

Drive For Forage In High Gear

Campaigners for "Bundles for Boys Ranch" moved into high gear this week in a drive to provide winter forage for Boys Ranch horses, dairy herd and beef cattle.

The program sponsored by the Canyon Junior Chamber of Commerce is part of an area effort in which some 30 Jaycee groups are participating.

The drive in Randall County will continue for "three or four more weeks—in fact, as long as anybody has any bundles to donate," said Bob Wilkinson, 2519 10th Ave., member of the Canyon committee.

Roy Fortune of KCAN is general chairman for the drive.

Response to the Jaycees' request for "bundles or bales" has been "as fine as anyone could have ever imagined," Wilkinson said. "I don't think we've met with a single turn-down."

As of Wednesday, the campaigners had loaded one bobtail truck with 500 bundles of fodder and were busy collecting what they expect to total as much as three or four more loads.

Wilkinson asked that farmers wishing to make a donation, either in cash or in kind, get in touch with him or with Fortune or Richard Pruett, 2513 7th Avenue.

Cal Farley of Boys Ranch has expressed his appreciation of the Canyon Jaycee program. "Right now," he said, "the boys are feeding about 48 horses, 20 beeves and a dairy herd of 52 cows. Since we don't have any pasture, we're dependent on the help we get from area farmers and ranchers to keep our herds going through the winter. Without the aid we're getting from the Jaycees, in Canyon and elsewhere, we just couldn't make it."

Lion Official Visit Slated

Lions Club District Governor O. A. "Steve" Stephens will visit the Canyon Lions Club Wednesday noon of next week. The club meets each Wednesday noon in the American Legion Hall.

Stephens is a charter member of the North Amarillo Lions Club. He is an Amarillo hardwareman.

John Cooper Descendants Are Sought

Mrs. Perry Chisum of Phoenix, Ariz., is trying to locate any descendants of John M. and Belle Stewart Cooper.

Mrs. Chisum said Mrs. Cooper came to the Canyon area in the 1880's and was married to John M. Cooper. She said the couple had children but she does not know their names.

Anyone having information may contact Mrs. Chisum at 78 W. Virginia Ave., Phoenix 3, Arizona.

Deadline Set For Contest

Canyon residents and merchants interested in entering the Jaycee-sponsored Christmas lighting contest this year are urged to list their names and addresses with Bob Wilkinson, contest chairman.

Ground Broken For Home Here

The perseverance of a Canyon citizens' committee and the enterprise of a Borger businessman were rewarded Tuesday when the first spade was turned in groundbreaking ceremonies for a convalescent home here.

First unit of the home at 2623 12th Ave. is scheduled to be completed early next April, said Mr. and Mrs. Don York, owners and operators.

"The first unit will consist of 36 beds plus all service facilities, including kitchen, lounge, dining room and space for administrative and medical services," York said.

"Later we hope to expand the home to 48 or even to 60 beds, as need may require."

York gave no estimate of cost but said the project "will compare in every respect with homes of similar size."

The home was designed by William R. Russell of Borger and will be built by Didlake & Trout, a Borger firm that has built and is building several similar plants.

The first unit will be staffed by some 20 persons, including registered nurses and nurses' aides.

York, a businessman with wide experience in retail drug and variety stores in Texas and Oklahoma, has been a resident of Borger the past 12 years, operating the Borger Drug & Variety until it was destroyed by fire last April.

The decision to build a convalescent home here came after York and his associates had several meetings with the citizens' committee established about a year ago to encourage location of a home in Canyon.

"Mr. Didlake and I also conducted an independent survey to determine the degree of need for such a service in the community," York said. "We found that there is a real place for a convalescent home here." He stressed that he and Mrs.

Stores Join Yule Giving

Canyon merchants will give away \$600 during the Christmas season.

Retail Merchants Committee of the Chamber of Commerce is sponsoring the Yule promotion.

Prizes of \$100, \$50, \$25, \$15 and \$10 will be given away on three Saturday afternoons. Prizes will be given at 3:30 o'clock the afternoons of Dec. 7, Dec. 14, and Dec. 21.

Further details may be obtained from participating merchants whose names will be announced later.

Six Groups Named To Study Chamber

Six subcommittees were appointed Monday night to begin work on an evaluation of Canyon Chamber of Commerce.

Heading up the general committee is Dr. Paige Carruth. Clarence Eugene Thompson heads a subcommittee to study organization and staff of the chamber. In that group are Frank Morgan, R. E. "Barney" Barnard, Dr. Strauss Atkinson and R. B. Allen.

O. P. Cowart is chairman of the group which will study the chamber's program of work and work promotion. On the subcommittee with him are Joe Gidden, Delbert Lowes, Mrs. Clyde Warwick, Don Standley and Dr. C. C. Callarman.

Jack Haley heads a subcommittee on membership relations. On the subcommittee with him are Jerry LaGrone and H. R. Fulton.

Dr. Charles R. Nester is subcommittee chairman on objectives of the chamber. Working with him are Dr. James P. Cornette, Riley Troth and Bud Parker.

A subcommittee on public relations is headed by Troy Martin. On that subcommittee also are Boone McClure and Jack Walker. The subcommittee also will study plant and equipment of the chamber.

R. B. Allen is chairman of a subcommittee on membership and financing. In his group are Carroll Vaughan and T. A. Black.

Regional Tilts May Be Here

Canyon Chamber of Commerce is making an effort to bring at least two regional football play off games to Buffalo Bowl.

Tulia meets Dalhart and Muleshoe meets Denver City in bi-district clashes this week in AA and Stratford meets Wheeler and Petersburg plays Farwell in Class A.

Winners in each classification meet next week in regional play.

Chamber Manager Roland Black Monday said telegrams of invitation have been sent to all teams involved.

MRS. CLYDE WARWICK of Canyon turns the spade in groundbreaking ceremonies for the first unit of a convalescent home to be built at 2623 12th Avenue. Looking on are, left, W. W. (Bill) Didlake and Jack Trout of the Borger firm that will build the home, and Don York and Mrs. York, owners and operators of the home.

FROM THE
CANYON RIM

We received a complaint this week about Fred Tripp's article on Randall County's juvenile delinquency problem.

It was neatly typed on the margin of our front page story. Here it is:

"Don't you think these first offenders have been punished by the school system, churches, parents and the town in general without the paper rehashing it again. Why not let them forget if they make amends. It sure looks bad for a newspaper to have to dig skeletons out of the past to have something to print. No real news I guess."

Well, we have news for the writer. Juveniles who finally make the record books of Judge Wayland C. Angel, who doubles as county juvenile officer, are not usually first offenders. Normally first offenders are handled quietly in a conference among the offender, parents and Judge Angel.

It's the second, third and fourth offenders who really become problems.

Another thing, the writer of the note neglected to mention that the juvenile story was only one of 153 local stories carried by The News last week in which some 55 local pictures also were printed. The same issue devoted eight pages to promotion of the system which was built for the youth of the community.

By the way, the writer of the note also neglected to sign his name.

Richard Nixon is still very much in the running for the Republican nomination for President.

Nixon has let it be known that he will be around to "unleash" the party after bloodletting by Barry Goldwater and Nelson Rockefeller.

The truth of the matter is that even those in the Rockefeller camp realize that the New York governor, a liberal, hasn't got any real chance for the nomination.

From the far outside it appears that Rockefeller's job is to discredit the senator from Arizona. Goldwater is not at all acceptable to the pink-hued internationalists of the Republican Party. Nixon is at least bearable to them, having already exhibited some socialistic, internationalist tendencies.

Nixon's nomination virtually would assure the re-election of Jack Kennedy. Goldwater would give the incumbent a tussle. Political mayhem will be liberally applied to Barry Goldwater during the next few months.

Here in Texas, the vote to retain the poll tax was herald of trouble for both JFK and Senator Ralph Yarborough.

Liberal Democrats had hoped to outlaw the poll tax and thereby get more of the minority groups such as Latins and Negroes to the polls next year.

There is some talk across the state that Yarborough may be the Kennedy running mate this year instead of Johnson. Deep scars still exist in the Yarborough-Johnson relationship as well as in the Kennedy-Johnson relationship.

The Claude News says: "Men never gossip. They merely investigate rumors."

A man seldom is as good as his mother thinks he is or as bad as his enemy thinks he is.

Hilltop Views

Ever since I majored in history at the University of Texas I have believed confidently in the gradual evolution and ultimate triumph of human freedom. This concept requires great patience with what oft-times appears to be disaster and the reversal of human progress.

Take for example, the fall of Rome in 476 A.D. when it appeared to civilized people that they had lost to barbarians the best achievements of the race prior to that date.

Historians now call that event the beginning of the Dark Ages--dark because the culture that was Greece and the law and government that was Rome were swallowed up in a sea of uncivilized hordes who had no respect for either culture or law and government. Many of the most optimistic prophets of that day became pessimists and for a thousand years civilization was shrouded in gloom. The great mass of Europeans were born, lived, and died in physical, mental, moral, and spiritual poverty and bondage.

Yet, as modern historians have pointed out during that long period of apparent defeat salvaging and constructive agencies were at work that laid the foundation of modern civilization. While the barbarians were doing their worst classical culture, the Christian religion, and teutonic creativity were being blended to produce the concepts of the dignity and sovereignty of man, his natural right to life, liberty, and the pursuit of happiness, and the various freedoms that inhere in democratic government.

It is not inconceivable that modern man may suffer some setback resembling slightly the Dark Ages of history, but it is not likely to last very long. The implements of present day civilization plus the experience of millions with the blessing of liberty would not permit a long period of darkness. Moreover, the creative spirit of modern man is loose in the world, as is easily discerned by all enlightened people the world around. It will not brook a long period of total suppression of the race.

Bad as our national and world situations are it is my belief that civilization may now be in the process of putting down a serious threat to sound human progress. This position is based upon two significant circumstances that have appeared on the horizon this year.

1. It seems to me that Russian Communism has seen its best day. According to U. S. News and World Report under date of November 18 it is breaking down on almost every front. If you haven't read the article beginning on page 50 you ought to take time out to do it. You will enjoy your dinner more and may get along better with your wife. But we do not have to depend on U. S. News for the evidence. There are many straws in the wind that point to Russian collapse. Some of the readers of this column may remember that a year or so ago we predicted that Russian communism would eventually die because it contains the seeds of death in its blood stream. When the peak of failure shall be reached the Russian people may establish an even more democratic government than our own. Their aspiration for freedom will not be denied.

2. The second significant circumstance that points to the beginning of a new era in human progress is the apparent trend within the Catholic hierarchy toward democratization. For example, a United Press report out of Vatican City says that there is now going a debate in the Ecumenical Council on "a proposal to grant real legislative powers to such national associations of bishops as the U. S. National Catholic Welfare Conference". This proposal is supported, United Press reports, by "the vast majority of American bishops," including one or more Cardinals.

However, it is opposed by Cardinal McIntyre of Los Angeles on the ground that it would threaten "the doctrine of papal supremacy." He is supported by Cardinal Spellman of New York and other powerful American leaders. Considering the thousand and more years of Papal dictatorship it is encouraging that such a proposal has ever reached the floor of the Ecumenical Council. It shows plainly enough that the heaven of freedom along with its concept of the dignity of man and his unalienable right "to life, liberty, and the pursuit of happiness" is at work in the Catholic church, one of the most powerful institutions in America, and for that matter, in all the world.

Say what you will, freedom is on the march.

Cowgirls Lose 64-53

Happy Cowgirls were dropped Tuesday night in Happy by the Friona varsity girls team 64-53.

Teto Jennings scored 37 points for Friona and led the ball game. Marcella Irlbeck netted 24 points for Happy and Irita Bow was right behind her with 23 points.

Happy B team also lost to the Friona B team 57-25. Freddie Floyd dropped 21 points through the bag and Willa Jane Elliott netted 14 for Happy. This loss makes a 1-4 season for the B team.

Happy A team has a 4-2 season. They will meet Friona

again on the Friona court next Tuesday night. Happy Cowboys A and B teams will also play in Friona Tuesday. The B boys begin playing at 5:30 p.m. followed by the girls varsity and the boys varsity.

Football season came to an exciting halt last week end for Canyon and Happy High Schools. The Eagles toppled the Abernathy Antelopes 67-0 in the final game of the season.

The Happy Cowboys came through in the last game for a 45-14 victory over Lazbuddie. Happy won the regional B championship last year, but they had a 3-7 record this fall.

As one of the managers pointed out to us this weekend, "We started the season winning, halfway through we were winning and we ended the season winning."

Sounds good if you don't search any further. We had a special surprise at the pep rally Friday immediately preceding the Happy game. The Happy football team presented us with a Homecoming mum. It was one of the greatest honors we have received, and we sincerely thank the boys for their thoughtfulness.

"The L Shaped Room" is being shown for the last time at the Olympic Theatre tonight. The film is presented by the Community Film Series Association in Canyon. The movies shown this season have been top sellers in France, England and Italy.

Our parents were in town over the week end and we didn't realize what a good town we live in until we began showing Canyon off. In driving through our community we naturally picked out the things we are most proud of, such as the university, the new and growing school facilities, the square, the new housing projects, Palo Duro Canyon and the wonderful people who live here.

When we live in a town we often are slow to see progress which is being made right under our noses. We recommend a quick drive around town for objective viewers. It doesn't take but about 30 minutes to realize what a clean town Canyon is, and the vast amount of potential growth available.

In an overall picture youth of a community make the future town. And Canyon is going a long way to provide for its youth. The Boy Scout program, the school facilities, the Girl Scout program and football, basketball and baseball programs make up only a small part of what our youngsters are offered as they grow into adulthood.

Mothers-In-Law
Meet Thursday

The Canyon Mother-In-Law Club met last Thursday afternoon in the home of Mrs. W.I. Wester with co-hostesses being Mrs. W. J. Stewart, Mrs. C.W. Dunn and Mrs. R. D. Lowry.

Mrs. W. J. Stewart presided during the business meeting when minutes of the last meeting were read by Mrs. R. R. Fain and followed by a roll call of members.

The program included a recitation of the Psalm of Thanksgiving by Mrs. E. C. Penick, a reading entitled "My Grandson No. 2" by Mrs. R. D. Lowry, and a reading by Mrs. G. B. Combs titled "In Great Shape". Following the program, Mrs. W. I. Wester showed a number of pictures that were made during her recent trip to California.

Refreshments were served to fourteen club members and three guests including Mrs. R. E. Gill, Mrs. J. H. Lisle and Mrs. T. J. Clemmons.

Mrs. Art Roberts, 1111 4th Avenue, will be hostess for a joint meeting of the Canyon Mother-In-Law Club and Pioneer Club for their Christmas party on December 19th. Each club member is requested to bring a dollar gift for the gift exchange to be held at the party.

Kiowa Items Are Donated

An assortment of Kiowa Indian weaponry, belts and ceremonial artifacts has been given to Panhandle-Plains Historical Museum by an anonymous donor, curator Boone McClure announced Wednesday.

The items were acquired by the donor from Mose Poolaw, a Kiowa tribesman now living at Walters, Okla. They include a bow, a couple of blunt arrows and a war bonnet, all formerly used by Big Tree, a Kiowa chief, as well as some beaded belts, a beaded buckskin bag for carrying a "medicine bundle," and a pipe bag that belonged to Pau Kau Sah, the Kiowa who reportedly introduced the use of peyote among tribesmen.

The collection also includes Had a party? Or giving one? Tell The Canyon News about it. Telephone OLS-2141, or stop by the News office on the west side of the square.

CHEVROLET

Which type Chevrolet
pickup do you need?

Chevrolet now makes four different types, each with its own distinct advantages. Whichever one you buy will be a lot more truck than your money bought the last time!

FLEETSIDE. Based on sales, the best liked pickup in the world. Outstanding feature is its large body extending clear out over the wheels. Two body sizes. Two wheel-bases. Best riding truck by far, with coil springs all around and independent front suspension. Cab and body have double-wall construction. Chevrolet Fleetside—best for all-around use.

STEPSIDE. Has flat interior body walls and convenient side steps between cab and rear fenders. Comes in same two sizes as the Fleetside plus one bigger size. Big model has heavier frame, 4-speed transmission and leaf-spring rear suspension for maximum payloads. Standard engine is 230-cu.-in. Six. A 292 Six or 283 V8 is available at extra cost.

RAMPside. Nobody else makes a pickup exactly like this one with a ramp at the side. The ramp makes loading easy because of its 16-inch rise. Truck also has a conventional tailgate. Body and frame-floor assembly are very rigid because they are welded together. Has larger 95-hp air-cooled engine this year. Independent coil spring suspension all around.

EL CAMINO. If you want a pickup as good looking as any car on the road, this is the one! It can work hard, and look like a million dollars doing it—the only pickup in the world with Body by Fisher! You can order an El Camino as plain or as fancy as you wish: bucket seats, air conditioning, 4-speed transmission, power brakes are some of its extra-cost options.

HAPPY HAPPENINGS

MRS. RUTH MAYNARD

Mrs. C. D. Taylor was hostess to the Esther Sunday School class social Thursday afternoon.

Mr. and Mrs. M. L. McFarland attended the Automobile Show in Amarillo Sunday.

DeZane McFarland escaped uninjured in a car wreck west of town Saturday. Her car was completely demolished.

The Wendell Sims entertained the Cecil Wesleys, the Burl Sims and the H. E. (Pat) Maynards in their home Saturday night.

The Blackburn family has moved to Amarillo. Jim and Cheryl Blackburn have withdrawn from school.

Senior Mothers' will serve meals during the Happy Invitational Tournament the first week end in December.

Sophomore mothers will serve supper before the junior play Friday night and refreshments after the play. Stew, cakes, pies, ice cream and drinks will be served. Mr. and Mrs. Lee Moore are sponsors of the class.

Buggy Todd from Tulia visited in Happy Sunday.

Linda Kay Toles, daughter of Mr. and Mrs. John Toles, was injured in an automobile accident in Austin Monday. She is a student at the University.

Mr. and Mrs. Dean King and family visited his sister and family in Amarillo Saturday night.

The L. G. Airharts served coffee in their home Sunday night after church to Dean and Janie King, Punk and Mildred Zachery, Pat and Ruth Maynard and their children.

Janie King and Myra Nell Culp shopped in Amarillo Wednesday morning.

The Johnny Brumleys visited the Bill Tennisons Friday.

Mr. and Mrs. Eubanks were in Fort Worth last week.

Mary Jo Vornsand and Paullette from Midland visited Dr. and Anna Bee and Bob over the week end.

L. G. and Yvonne Airhart visited in the home of Hope and Ervin Wilson Saturday night.

The seventh grade boys won their basketball game against Kress Monday night and the eighth grade boys won theirs in overtime. The girls team lost by only 4 points.

The pep rally downtown Thursday night before homecoming was well attended by ex-students as well as high school students. Angela Airhart was skit director and several students were in the skits representing the various years to be honored on homecoming. A snake dance was formed near the bonfire located east of the football field where the Flame King and Queen were crowned. Sue Bruce and Mark Maynard were winners of the contest.

Helen and Travis LaDuke served a barbeque supper to the following families Thursday night: the Dee Taylors, the Bill

Vernons, the Bob Dowds, the H. E. (Pat) Maynards, the John Butlers, the Marvin Flowers, the Forrest Vises.

Maurine Allison is attending a P.T.A. convention in San Antonio this week.

One of the money-making projects in P.T.A. this year is the sale of candy. The candy is here and can be purchased from Royce Vernon or other members of P.T.A. There is a crunchy kind and chocolate covering pecans and caramel. They are in cans and would make nice gifts.

Tom Moudy had his jaw broken in the football game with Lubbock. He stayed in the hospital over the week end and returned to school Monday. He will have his jaw wired for six weeks.

Will White is improving after suffering a stroke about two weeks ago. He is able to be up some now.

Don Rahlfs will replace Tom Moudy in the junior play "The Man Who Came to Dinner" to be presented Friday night at 7:30.

The Rainbow girls held initiation Monday night to initiate Susan Williamson from Canyon. Cortez Dowlen was also making her official visit.

This is six weeks test time in school.

A meeting was held Monday morning in the home of Kate McManigal to make plans for the football banquet. A date was set for Monday Dec. 2. Members of the Drill Team who perform at halftime and pep squad members will also be invited. Jerry Holland is foods chairman. Myra Nell Culp is in charge of getting workers and Janie King will work on decorations. Each of these chairmen will have committees. HERE FOR YOU, THE COMMUNITY BIRTHDAY CALENDAR

THIS IS GOING TO BE THE MOST INTERESTING AND INFORMATIVE CALENDAR YOU HAVE EVER SEEN

Every person in Canyon may have their names printed on the Calendar. Your name will be printed on the date your birthday falls. Everyone will know the birthday of everyone else in Canyon, but it doesn't tell how YOUNG you are.

The Wedding Anniversaries of all married couples will be listed on the date of their anniversary with a bell after the names.

If you have a son in Military Service, his name will also be listed on his birthday, with a flag after his name.

The meetings and social functions of the civic clubs, and special programs, such as Musicals and Athletic events in Canyon will be listed on the dates they will be held.

Listings will be accepted beginning December 2. A member of the Band Parents Club will call for your listing.

Every Family in Canyon will want one of these NOVEL calendars. The cost is Calendar and one listing: \$1.00. Additional listings: 25 cents each maximum, with five or more listings: \$2.00. Extra Calendars: 50 cents each.

All the money taken in with the exception of the actual cost of printing the calendars will be used to support the band program of Canyon Independent School District.

An impressive, 21"x11" calendar handsomely printed in two colors on high grade stock.

University Chorale Plans Annual Tour

An annual pre-Christmas concert tour will take the 44-voice University Chorale of West Texas State University to eight West Texas area high schools, with the first program scheduled Dec. 2 in Amarillo.

Directed by Dr. Houston Bright, professor of music and director of choirs at WTSU, the Chorale is made up of selected voices chosen by audition from the university's Grand Chorus. The tour group this year will also participate in the Perryton Christmas Choral Festival Dec. 12, present two concerts in Canyon on the WTSU campus, and tape a show for KCNC-TV in Amarillo.

First concert will be at 9:30 a.m. Dec. 2 at Caprock High School in Amarillo, with a second performance that day at 1:10 p.m. in Tulia. The group will perform twice Dec. 3, at 8:30 a.m. and 9:15 a.m. at Wichita Falls High School. A large school, Wichita Falls operates its assemblies in two shifts.

Lee High School of Midland students will be entertained Dec. 4 at 9:35 a.m., with the

Chorale appearing at 12:20 p.m. at Midland High School. The group returns to Amarillo Dec. 5 to present a program at AHS at 10:30 a.m., and then will sing at 1:10 p.m. for Canyon High School students. Final tour performance will be Dec. 6 at 10:30 a.m. at Tascosa High School in Amarillo.

Besides traditional Christmas carols and hymns, the Chorale will sing selections of sacred numbers, contemporary compositions, and novelties and popular music.

WTSU's Grand Chorus usually numbers about 90 members who come from all departments of the university. The group participates in local concerts and assists with stage productions of the fine arts departments.

The smaller Chorale tours the Tri-State area twice each year, presenting concerts in schools, churches and for the public. The Chorale also assists with productions of the WTSU Opera and Musical Workshop and records for radio and television shows.

HOMECOMING QUEEN Willa Jane Elliott, Happy High School junior, was crowned in a pep rally assembly last Friday afternoon immediately before the last game of the Cowboy

season. Sheila LaDuke, left, and Jeanne Tirey, right, were the Homecoming attendants. Happy won against Lazbuddie, 45-14, with approximately 1100 spectators attending the game.

Homecoming Crowd Tops Happy Record

Records were broken Friday at the annual Happy High School Homecoming festivities including a pep rally, football game, dinner and a special program.

A total of 243 ex-students and teachers registered before the football game between Happy and the Lazbuddie Longhorns. Exes participated in the pep rally and assembly which preceded the game in the school auditorium.

Willa Jane Elliott, HHS junior, was crowned 1963 Homecoming queen by Cowboy captain Jim McManigal during the assembly. Jeanne Tirey and Sheila LaDuke were attendants to Miss Elliott.

Following the game exes and town folks were served dinner in the cafeteria at the school. A total of 353 persons were served.

Members of the first Happy football team of 1922 were special guests during the homecoming activities. Attending the celebration were Johnny Mann, Ernest Miller, Jeff Whitman, Babe Walberg, Whitey Walberg and Winfield Miller.

A short business meeting was held in the auditorium with Mr. and Mrs. Clayton Devin re-elected as president of the Happy Ex-Student Association. Mr. and Mrs. Dale Whitlow were re-elected vice president and Mr. and Mrs. D. L. Allison will serve as secretary.

Haskel Rhodes was recognized as coming the farthest distance for the activities. Rhodes estimated the distance he traveled from his home in California at 1140 miles.

Mr. and Mrs. Bernie Starker were recognized as having the most children to attend Happy.

Several Attend FB Convention

Several Canyon people recently attended the 30th annual Texas Farm Bureau Convention in Fort Worth.

Those making the trip were Mr. and Mrs. H. W. Burrus, Bill Patke, R. B. Gist, Jr., Pete Leavitt and Irving Davis. Gist is president of the Randall County Farm Bureau.

Mr. and Mrs. Carroll Killingsworth and Mr. and Mrs. Pat Maynard attended the basketball game in Plainview Tuesday night between the Queen Bee's and the Peru All-Stars. Later they visited in the Fred Davidson home in Plainview.

The Starkers have eight children.

Classes of 1913, '23, '33, '43, '53 and '63 were honored at the meeting Friday night. High School students gave skits concerning each honor class and a group of girls composed songs representing the classes.

Winfield Miller of Canyon, a member of the first football team at Happy, served as master of ceremonies at the general meeting.

**Book Club
Has Annual
Guest Day**

The annual Guest Day meeting of the Woman's Book Club was observed Wednesday of last week at the Panhandle Plains Historical Museum with a meeting of eleven guests and twenty-eight members in attendance.

Dr. H. L. Cook, head of the mathematics department at West Texas State University, discussed "A Look Into Space" as the program of the evening. Mrs. Emilio Caballero presided at the brief business meeting and refreshments were served by Mrs. H. E. Campfield, Mrs. W. E. Parker and Mrs. Fred Standley.

The next regular meeting for the club was on November 20th at the Panhandle Plains Museum when the program was Policies of the United States Arms and Disarmament Agency by Mary Bonnie and a second section on Urban Development as Proposed to Congress by Mrs. J. T. Graham.

A Circle K workshop for club officers of the area was held on the campus of West Texas State University Saturday. Officers of various clubs shown here are from left, Ronnie Shepard, vice-president of the West Texas State club; James Allison, president of the WT club; Ray Vaden, lieutenant governor of Region 7 from Texas Tech; and Mickey Bolton, vice-president of the Frank Phillips College Club at Borger.

Heidi Krall Receives High Praise For Show

By Mrs. Thelma Fulton

Heidi Krall, lyric-dramatic soprano of the Metropolitan Opera Association, charmed the Canyon High School last Saturday night with her lovely voice and sparkling personality.

Miss Krista White, daughter of Mr. and Mrs. James M. White, presented Miss Krall with an arm bouquet of red roses following the program as Miss Krall received a standing ovation from the Canyon members and other guests.

The versatile Miss Krall, who is equally at home on TV's "Voice of Firestone", thinks nothing of performing such dramatic roles as Sieglinde in Wagner's "Walkure" at one performance and the sprightly Musetta in Puccini's "La Boheme" the next.

Miss Krall, attired in a full

length green satin gown which contrasted beautifully with her red hair and light complexion, presented the program that included a group of German lieder (songs), the most familiar being the Schubert "Ständchen" or Serenade which proved that Miss Krall can sing a sustained legato with ease.

The Brahms "Minneleid" (Love Song) is also a favorite of the German lieder type. Two more dramatic songs, one by Brahms and one of Wagner, demonstrated the soprano's ability to change pace and mood. "Un bel di" (One Fine Day) from Puccini's "Madame Butterfly" was a highlight of the program and the local audience responded accordingly.

Richard Tetley-Kardos, accompanist, displayed fine technique and interpretation as he selected the Chopin Nocturne and Chopin Waltz for a musical interlude. He also played an encore number of the Etude in C.

Miss Krall seemed in better

voice for the second part of the program that featured a group of French songs including the Saint-Saens "Guitares et Mandolines" that was given the biggest ovation by the local audience.

Debussy's "L'Enfant Prodigieux", an especially dramatic and demanding piece, was also sung beautifully as were the concluding group of American songs that included the folk song "He's Gone Away".

The soprano was presented with the arm bouquet of roses by Miss White after she had presented two encores of Musetta's "Waltz Song" and Victor Herbert's "Some Day."

**Canyon Man
In Big Lift**

FRANKFURT, GERMANY (AHTNC)—Army Specialist Four William L. Pryor, 19, son of Mr. and Mrs. J. P. Pryor, Canyon, and other members of the 3rd Armored Division acted as a mock aggressor force during the second phase of operation BIG LIFT in Germany.

Following their arrival by air from the U. S., the 2nd Armored Division began a week-long training maneuver in which the 3rd Armored Division acted as an enemy. The exercise ended Nov. 5.

Specialist Pryor is a tracked-vehicle mechanic in the 3rd Armored Division Artillery's Headquarters Battery in Germany.

He entered the Army in January 1961 and was stationed at Fort Hood, Texas, before arriving overseas.

Pryor attended Canyon High School.

Guests of Mrs. H. T. Carr, Sr. last week end were Mrs. Mattie Sparks and Mrs. Ludie Morgan, both of Childress.

Mrs. Sparks and Mrs. Morgan are teachers in the Childress Public School System.

They also visited with Mr. Don Standley during the week end.

**Fraternity
Sponsors
Tournament**

An invitational basketball tournament for boys' and girls' high school teams has been scheduled Dec. 6 and 7 at West Texas State University. The tournament is sponsored by Phi Epsilon Kappa, national men's physical education fraternity.

Teams from Friona, Hereford, Canyon and Claude will participate in the men's division, while squads from Tulia, Friona, Canyon and Claude will play in the women's rounds.

Play will begin at 4 p.m. Friday, with two men's and two women's games scheduled on the first day and consolation and championship games on Saturday.

The invitational tourney has been sponsored the past two years by the fraternity, which uses the proceeds for philanthropic projects. Last year, funds went for purchase of playground equipment for a children's home in Amarillo.

Admission for each session will be \$1 for adults and 50 cents for students.

**Early Santa Fe Worker,
Mote Sanders, Dies**

Morton Camp "Mote" Sanders died Tuesday morning in Canyon at Neblett Hospital at the age of 88.

Mr. Sanders had lived in Canyon since 1922 and spent his first 20 years in town employed with the Santa Fe Railroad Company. He served as foreman of the railroad and worked in Friona, Umbarger and Canyon.

Mote Sanders was born in 1875 in Mammoth Cave, Kentucky to a Baptist minister and his wife. He spent many of his boyhood days in the mountain regions of Kentucky learning to handle a bow and arrow and a gun.

In 1899 Earnest Victoria Lee, a descendant of the Robert E. Lee family, and Mr. Sanders were married in Cameron, Illinois, where the groom was working for Santa Fe.

The couple moved to the Rhea Ranch near Friona and Mr. Sanders served as foreman until they moved to Canyon in 1922. The Sanders family was well-known in the community for the active part Mr. Sanders took in local sports and civic activities. During World War II, the Sanders wanted to increase their giving to the Red Cross so bows and arrows were made and placed on sale in a downtown store by the family. Proceeds from the undertaking were given to the Red Cross to be used for soldiers stationed overseas.

Mr. Sanders and his family lived at 11th Street and First Avenue for years after they moved to Canyon. The Sanders yard was well-known by neighbors to be a beauty spot of the town, and the Santa Fe

Magazine proclaimed they had the most attractive yard of any section foreman on the entire line.

Two Sanders sons died before Mr. Sanders, and his wife died in August of 1960.

Mote Sanders died at 1 a.m. Tuesday following an extended illness. Funeral services were held in LaGrone Funeral Chapel at 3 p.m. Wednesday. Burial followed in Dreamland Cemetery. Rev. A. J. Pettit, pastor of the Assembly of God Church, officiated, assisted by W. H. Harden of Canyon.

Honorary pall bearers included close friends of Mr. Sanders. Active pall bearers were C. E. Liles, Clarence Thompson, Mitchell Jones, Benny Baca, Clarence E. Thompson, and Milton Morris.

Survivors include six daughters, Mrs. Gene Peppard of Canyon, Mrs. Frances Scott of Santa Cruz, California, Mrs. L. A. Murphy of Perryton, Mrs. W. L. Young of Santa Rosa, New Mexico, Mrs. Elden Spain and Mrs. Henry Tyler, both of Watsonville, California; two sons, Earl Sanders of Amarillo and Calvin Sanders of Turlock, California, 15 grandchildren and 10 great grandchildren.

Visiting with Mr. and Mrs. Jimmy Jones and children, Cindy and Cathy, in Borger last week end were her parents, Mr. and Mrs. V. B. Hubbard of Canyon.

Among recent guests in the V. B. Hubbard home have been Mr. and Mrs. Eugene Hubbard and children, Melinda and Trena, of Amarillo. Eugene is a son of the Hubbards.

The WTSU winners join student leaders from universities and colleges throughout the nation in the volume as the country's outstanding collegians of the year. Academic and campus leadership qualities are top priorities for selection.

Named from WTSU were John Messenger, Bill Callarman, Dorothy Higdon, Lloyd Mann, and Peggy Sue Meathenia, all of Canyon; Linda McCasland, Kathy Winburn, James Davenport, Carol Bruza, Lynda Kay Redman, and Donna Johnson, all of Amarillo; Shirley Anderson of Midland; James Ostrander of Barstow, Calif.; David Collins of Dallas; Michael Brown of Pampa; and Linda Sue Douglas of Sunray.

Linda Robinson of Dumas, Janet Milam of Borger, Ronny Parks of Paducah, Ruth Ann Bedford of Wichita Falls, Gerald Stevenson of Sweetwater, Jane Jackson of Abilene, Marvin Henry of O'Brien, Donald Dawkins of Texhoma, Carole Triplett of Texline, Cynthia Patterson of Friona, Arline Key of Kirkland, Ken Walser of Summerfield, Delores Behrens of Childress, Jan Mitchell of Memphis, Nancy Watson of Floydada, Thelma Murff of Tulia, and William Jowell of Silverton.

Messenger is a junior accounting and social studies major. He is vice president of the Student Association and is a member of Alpha Kappa Psi, national business fraternity. He is the son of Mrs. Beulah Messenger, 1207 Eighth Avenue.

Callarman, son of Dr. and Mrs. C. C. Callarman, 2411 Eleventh Avenue, is a junior management major. He is a member of Alpha Kappa Psi and Kappa Alpha Order, national social fraternities. He is active in the Wesley Foundation and the Student Union Board.

A junior music and education major, Miss Higdon is the daughter of Mr. and Mrs. Marion Higdon, 610 18th Street. She is president of Mu Phi Epsilon, international music sorority, and is a member of Alpha Chi,

national honor society, and Tau Beta Sigma, national band sorority. She is also a member of Buffalo Gals, campus service organization, the WT Band, and is accompanist for the Grand Choir and University Chorale.

Son of the Rev. and Mrs. Aaron D. Mann, formerly of Canyon, Mann is a senior secondary education major. He is a member of Alpha Chi and has been active in the Baptist Student Union. A member of Kappa Delta Pi, national professional education fraternity, he serves as music director for the Dawn Baptist Church.

Mrs. Meathenia, daughter of Mr. and Mrs. Joe V. Hales, Route 1, is a senior with majors in English, history, Spanish, and journalism. President of Alpha Chi, she was editor of the 1963 Le Mirage, WTSU yearbook, and has been a reporter for The Prairie.

President of Phi Alpha Theta, national history fraternity, Mrs. Meathenia has also served as president of the Mary E. Hudsbeth honor society. She is a member of Mu Kappa Delta, journalism fraternity, Sigma Tau Delta, national English fraternity, and Delta Zeta, national social sorority. She was "Miss Texas Intercollegiate Press Association" in 1962.

science and mathematics faculty who develops an approved research project, Dr. Smith said. When a researcher has a project approved, his laboratory space will be made to specifications, because the facilities will be kept flexible.

"By 1970 we expect to have between 20 and 25 main investigators, each working with graduate students, involved in projects at the center," Dr. Smith said.

When the center is opened in 1965, Dr. Smith expects to have at least five researchers from the faculty to move into the center, each with two to five graduate students working on each project. About 30 graduate students in mathematics are expected to be used in mathematics research, utilizing the computers, he said.

"We also feel that a number of post-doctoral students may be brought to the center to gain research experience. Our researchers may be assigned both to the Killgore Research Center and also serve as part-time instructors for the university," he said.

While the center will be devoted primarily to research in the life sciences, its data processing and computer equipment will be available for research in other areas of the university, such as social sciences and business, Dr. Smith said.

The money for the Killgore Foundation has come at "an opportune time," Dr. Smith said. "Because WTSU can now purchase computer and data processing equipment at a 60 per cent savings allowed educational institutions. After Jan. 1, institutions will be allowed only a 20 per cent reduction," he said.

"We have also established relationships with the National Science Foundation, the National Institutes of Health, and the National Aeronautics and Space Administration which we feel will result in support for our research programs," Dr. Smith said. "Other groups which support research, such as the American Cancer Society and the American Heart Association, are also being contacted."

A working relationship between WTSU and the University of Texas' M. D. Anderson Hospital and Tumor Institute in Houston, where a new Graduate School of Bio-medical Sciences has been approved, was completed last spring, Dr. Smith said.

The agreement provides a five-point program involving graduate training and research. Programs leading to the master's degree at WTSU will be "closely synchronized with requirements for admission to doctoral programs at the University of Texas in which M.D. Anderson Hospital and Tumor Institute participates."

Other points in the agreement call for cooperative recruitment of qualified young men and women from the Tri-State area into the preparation program for career research; a consultant service from the M.D. Anderson Hospital and Tumor Institute to the Killgore Research Center; the assigning of doctoral students in the University of Texas Graduate School by their supervisors at the M.D. Anderson Hospital and Tumor Institute at the Killgore Research Center; and cooperative requests for grants to support certain research projects which involve the Tri-State area.

The Killgore Research Center will be an integral part of West Texas State University, but will be independent in that it will not be a degree-granting institution, Dr. Smith said.

All funds for the center, including the grant from the Killgore Foundation, will go into the West Texas State University Foundation, and will be supervised by the WTSU Comptroller.

Chief administrative officer for the center will be WTSU's director of program development and research. Working with him will be the heads of the departments of biology, chemistry, physics, geology, and mathematics, and the dean of the graduate school.

An Advisory Council on Research, whose chairman will be the director of program development and research, will be named. Members of the council will be chosen from the Tri-State area, representing medicine, business, industry, and WTSU, Dr. Smith said.

"Role of the council will be to create a climate for research on the campus and in this region through an active study of the problems which need research, and a study of research results which have implications for this area," Dr. Smith said.

business and the Davis Agency, Blackwell Insurance Agency and A. L. Crossland Insurance Agency each gets 20 percent.

Until now Foster received 50 percent; Davis 27 percent; Crossland 15 percent; and Blackwell 8 percent.

The board also accepted a recommendation that to qualify for participation an insurance agency must have been in business in Canyon for a period of five years prior to consideration and must not have any delinquent Canyon school taxes.

The recommendations were made by the Canyon Association of Insurance Agents, which is composed of the participating agencies.

The board adopted several text books and gave its sanction to a text book committee appointed by the superintendent. The committee is made up of Oscar Hinger, L.H. Brotherton, James E. Miller, Ocoee Holt, Cortez Dowlen, Burney Slack, Huvelle Brasher, Betty Brown, William Hammons, Jr., Sidney Burgess, Velma Knott, J. Mack White, Harrell Duncan, Grace Knighton, Mary Weeks and Laycock.

Trustees approved a recommendation by the superintendent that a workshop be substituted for three hours of college credit required of teachers at specified intervals.

Members of the board laid down policy that school buses will not depart from the regular roadways to pick up students who live less than 400 yards off the road.

Several other administrative problems mentioned briefly before the board were left to the discretion of Laycock.

Visiting with Mr. and Mrs. Alfred B. Hamblen last week end were her parents, Mr. and Mrs. A. C. Darst, from Amarillo on Saturday afternoon and her sister, Mrs. W.H. Wharton, and family from Plainview on Sunday afternoon.

First Happy Jackrabbits Team Lacking In Football Knowhow

By Margo Williams

"We didn't know what a football looked like, much less how to play the game." This was the statement laughingly made by several of the first players on the 1922 Happy High School football team.

The men sat around a table rehearsing old times once lived in the little Panhandle community. It was a small group, and each man had seen life in various forms, but they could all laugh and joke about the experiences lived as young boys in high school.

"Coach Bridges (O. R. Bridges) came outside one day with this strange looking ball and asked us if we wanted to play football. Well, none of us knew what he was talking about, but we soon found out," Ernest Miller of Plainview recalled.

The boys began their education in the field of football. They traveled to football games throughout the Panhandle, all expenses paid by the Happy coach.

"The first game I ever saw was in Canyon, and to be honest I didn't know what those boys were doing," Johnny Mann of Miami, Texas said.

But Bridges was determined to begin a football team in Happy, and the boys saw more and more games and they began practicing each day.

Tennis shoes and what would be now considered "risky equipment" were put into the boys' hands and they had their first feel of a football uniform. The youngsters quickly found a uniform doesn't make the team.

"We were like little kids playing in a sandlot game; everybody for himself. We would line up and one of us would call signals, and after the ball was hiked we all just stood there and looked at each other. We didn't know what interference was," Whitey Walberg of Port-

tales, New Mexico, reminisced. But Bridges pushed and worked with the boys and soon they were ready for their first game.

"He named us the Jackrabbits to begin with, but it was shortened to the Jacks as the year progressed," C. O. (Jeff) Whitman, a Happy farmer, said. So the Jacks bundled up in a Model T and a truck and with doubtful hopes of winning they rode to Kress for the first game.

"We got beat about 40-0 in that first game. I don't believe we ever had the ball, and if we did we didn't know what to do with it," Babe Walberg of Happy commented.

Bridges did not give up hope. He knew his boys had to learn the hard way, and he continued driving them to Panhandle towns for Friday afternoon tussles.

"We played only 5 or 6 games that first year. But we didn't start playing until late in the season. The next year is when we really made good. We won nearly all of our games that year," Winfield "Windy" Miller said.

"Good ole days" talking wouldn't be complete unless the conversations turned to the hardworking and dearly-loved coach O. R. Bridges.

"He took a personal interest in each of us. In fact I lived during the week with him and his wife during football season because I couldn't get home after practice," Ernest Miller recalled.

Perhaps the most remembered quality of coach Bridges was his desire to help kids.

"Bridges helped kids go to school. If he knew of a youngster who couldn't make it on his own he would find a place for the kid in his home. He did that in Happy and he has done it in his later life in Ardmore, Oklahoma. He was a fine man

as well as a fine coach," Miller said.

Happy football has progressed through the 41 years of existence as can be seen in a full trophy case of high school buildings.

Dr. Sherman Talks At WT

Dr. Cecil Sherman, an associate in the department of evangelism for the Baptist General Convention of Texas, will be in charge of a campus workshop on evangelism entitled "Operation Out Reach" at WTSU on November 25 and 26th.

Dr. Sherman is a graduate of Baylor and Princeton and has also studied abroad. He is a former pastor of the First Baptist Church in College Station that serves as campus church for Texas A & M College.

The special evangelism workshop will include a student meeting each evening in the Blue Room of the west dining room on campus at 5 p.m.

A vesper program is scheduled to be held at 6:30 p.m. each evening at the BSU building to be followed by a discussion period at 7 p.m. in the lounge.

Mr. and Mrs. C. A. Castelman were in Dumas last week end for a visit with their daughter, Mrs. Bruce Bradford, and family.

Garden Club Show Film

"Christmas Decorations for the Holidays", a filmstrip from the Smithers-Oasis Company, was presented at a meeting of the Canyon Garden Club last Thursday evening.

Mrs. D. J. Kievit presented the program for the meeting that was held in the home of Mrs. Jeannette Robbins with Mrs. Levi Cole as co-hostess.

Club members answered roll call with their favorite Christmas decorating idea and had a short business session with Mrs. Joe Frank, president, presiding.

Refreshments of cheese rolls, mystery pie and coffee were served to members present and a visitor, Mrs. Alice Black.

Attending the meeting were members Mr. and Mrs. A. K. Goodman, Mr. and Mrs. Joe Frank, Mr. and Mrs. Paul Rogers, Mr. and Mrs. K. E. Hines, Dr. Leta Boswell, Mrs. Ed Weeks, Mrs. W. R. Crow, Mrs. Mary Bonnie, Mrs. D. J. Kievit, Mrs. Kitty Foster, Mrs. Rae Walters, Mrs. Alfred Bellah, Mrs. Grace Warwick, Mrs. E. T. Cummins, Mrs. Mary Parker, Mrs. Curt Samples, Mrs. Levi Cole and Mrs. Jeannette Robbins.

Dr. Leta Boswell will be hostess for the next regular meeting of the club in her home on December 12 with Mrs. S. B. Louder as co-hostess. A Christmas social and gift exchange is scheduled to be held at the meeting.

THE LANGUAGE OF DERMATOLOGISTS

Impetigo, eczema, syphilis vulgaris and paronychia are not words that you would ordinarily hear during your average day. But, they are part of the everyday language of a physician. These particular words refer to specific skin conditions that must have a certain type of treatment.

There are many products a dermatologist can prescribe to help a person with a skin condition. We carry them in our pharmacy. On many occasions we compound a special formula at the request of the physician.

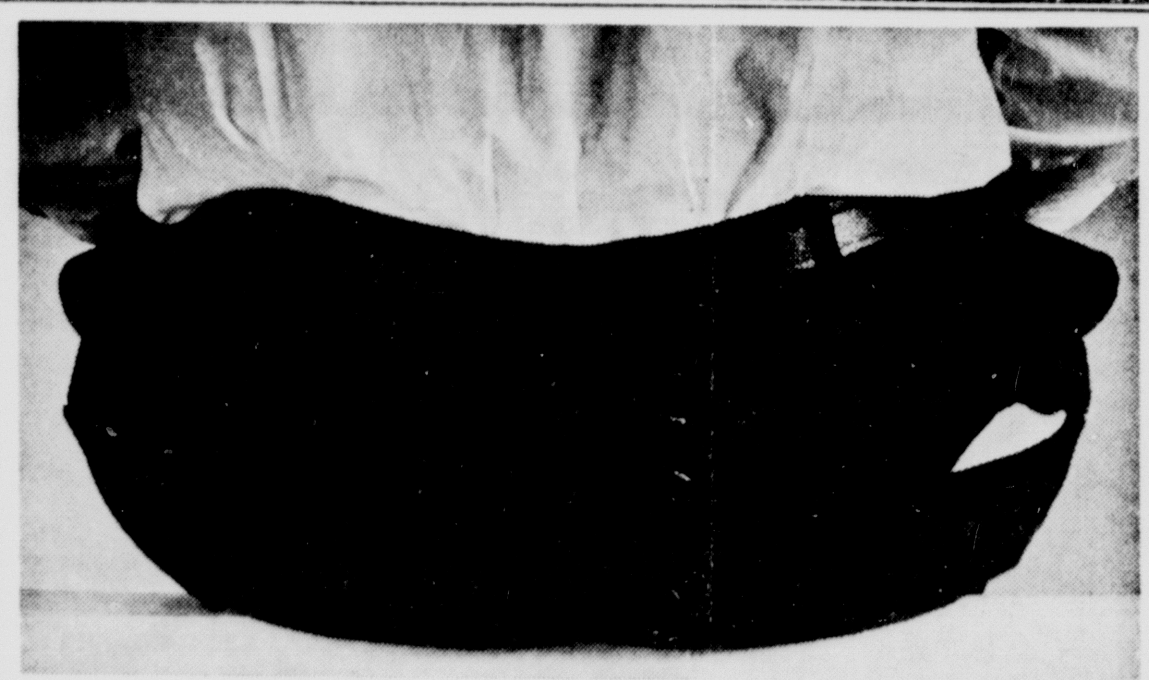

Your doctor can phone us when you need a medicine. Registered Pharmacist on duty 8 a.m. till 8 p.m. daily (Sundays and Holidays 8 a.m. till 6 p.m.). A great many people entrust us with their prescription. May we compound yours?

Girls Powder Puff Game Tonight

Thursday night an unusual football game will begin at 7 p.m. in Buffalo Bowl.

Girls will be ball carriers and tacklers in a flag football tussle between the junior and senior girls and the freshmen and sophomore girls. And boys will lead the cheers on the sidelines.

This confusion is an annual event sponsored by the Womens Physical Education Majors Club at West Texas State University.

Members from each team will vote for a Powder Puff King from candidates Jim Denny, Jerry King and Bill Bundy. He will be crowned at halftime.

Coaches for the upperclassmen are Les Brewer and Loy Dee Terry. The freshmen and sophomore team will be coached by Bill Callarman and Larry Dunaway.

Admission to the Powder Puff Bowl is 50 cents for everyone.

FIVE STUDENTS from Canyon were among 33 named to represent West Texas State University in the 1963-64 edition of "Who's Who Among Students in American Universities and Colleges." They are, left to right, Lloyd Mann, Bill Callarman, Dorothy Higdon, Peggy Sue Meathenia, and John Messenger.

Post Office Braces For Yule Rush

Just around the corner is the season when PMs begin to stare thoughtfully at route schedules, package and stamp and money order windows, and the beginning lines of customers.

PMs are, of course, postmasters--and right now they and all other employees of the Post Office Department up and down the country are getting ready for what is expected to be another record-breaking Christmas.

"So far this year, our business is up about 12 per cent over the comparable period last year," says Marion Higdon, postmaster for Canyon. "That means, I'd say, that Christmas business will set another record."

For the benefit of everybody, Higdon urges that Christmas mail and packages be dispatched as soon as possible.

"For overseas parcels, the time is now, because it usually takes about 30 days to deliver them. Air mail parcels ought to be sent by Dec. 10, at the latest," he says.

Although manufacturers are now conforming to postal regulations in regard to minimum size for Christmas cards, Higdon asks that customers check their cards on the off-chance that they may have bought some old stock.

Current regulations require that envelopes be a minimum of 3 inches wide and 4-1/4 inches long.

Weight and size regulations for packages must also be observed says Higdon.

The post office here will accept packages for delivery in Zones 1 and 2--approximately 150 miles from Canyon, in any direction if each package weighs not more than 40 pounds and length plus girth does not exceed 72 inches.

For delivery in Zones 3-8, package weight is limited to 20 pounds.

Second, third and fourth class post offices will accept packages weighing up to 70 pounds, with a length plus girth of not more than 100 inches, for delivery in all zones.

Higdon says labels for bundling city and out-of-town mail are now available at the post office. He also urges that mailers use the proper ZIP code number on all packages and cards. If the number is not known to the sender, he may obtain it from the post office here.

Higdon says he does not plan on using extra help during the Christmas rush, but that some of the present staff of 16 employees will work overtime to expedite the work.

Mrs. Bolton Hostess For Canyon HD

"Ideas for Christmas Decorations" was the program at a meeting of the Canyon Home Demonstration Club Friday afternoon of last week in the home of Mrs. L. K. Bolton with the home demonstration agent, Mrs. David Pulley, presenting the program.

Mrs. Pulley demonstrated a Christmas wreath made of newspaper and magazine sheets that were crushed and applied to a styrofoam base and sprayed with paint. Tiny Christmas ornaments including Christmas bells and balls were then attached to the wreath to make a festive item for the holiday season. She also made a small Christmas tree.

During the business meeting, final plans were made for the Thanksgiving dinner that the club members held in the home of Mrs. Ed Kuehn, president, on Saturday night, November 16.

Club members in attendance for the meeting were Mrs. Berntha Adcock, Mrs. Earl Hadley, Mrs. E. L. Hardaway, Mrs. Ed Kuehn, Mrs. J. C. McClendon, Mrs. Orville Weldert, Mrs. Bill Wilson and the hostess, Mrs. L. K. Bolton. Club guests at the meeting were Mrs. Pulley, and Mrs. Dixie Harding.

Canyon Lad Completes Army Class

Fort Benning, Ga. (AHINC) Army Pvt. Larry L. Moore, 19, son of Mrs. Florene Moore, Canyon, completed a ten-week mechanic course at The Infantry Center, Fort Benning, Ga., Oct. 28.

During the course, Moore received instruction in the skills needed to perform maintenance on wheeled vehicles and associated accessories and equipment.

The former Canyon High School student entered the Army in May 1963 and completed basic training at Fort Polk, La.

Canyon HD Club Plans Luncheon

The annual Thanksgiving luncheon for members of the Canyon Home Demonstration Club and their husbands was held last Saturday evening at the home of Mr. and Mrs. Ed Kuehn.

A Thanksgiving motif was used to decorate the dining room where the guests were served a buffet style meal of turkey with all of the trimmings.

Following the supper, members spent the evening playing games of "42" and Scrabble. Attending the supper were Mr. and Mrs. H. C. Adcock, Mr. and Mrs. Earl Hadley, Mrs. E. L. Hardaway, Mr. and Mrs. Lawrence Hunnicutt, Mr. and Mrs. J. C. McClendon, Mr. and Mrs. Orville Weldert, Mr. and Mrs. L. K. Bolton, Mr. and Mrs. Jack Parsons, and the host couple, Mr. and Mrs. Ed Kuehn.

Mrs. Bonnie Gist, fourth grade teacher at the Rex Reeves Elementary School, proudly points to the bulletin board in her room. On the board is some of the work done by her students.

Cub Scouts Of Pack 131 Awarded In Tuesday Night Ceremony Here

Newton Richardson, cubmaster for Cub Scout Pack 131, was in charge of an awards ceremony held Tuesday evening at the First Methodist Church of Canyon as the regular monthly pack meeting for the group.

The pack meeting was opened with group singing led by Mr. and Mrs. Herman Demus. The flag ceremony was conducted by members of Den One.

Son Of Local Couple Dies

A son of Mr. and Mrs. W. H. Harden of Canyon died Saturday, Nov. 9, near Sacramento, New Mexico, where he was hunting.

Len Broughton Harden, 53, was a resident of Canyon, New Mexico and had gone deer hunting with a friend, Leo Pitchford the morning of his death. The two men separated to hunt and Harden was found dead near the separation spot an hour and a half later.

A coroner's inquest was held at the scene and a verdict of "death from natural causes" was returned.

Harden was a voice and

speech teacher in public schools in Eunice for 17 years. Before moving to Eunice he lived in Hobbs two years and was associated with the First Baptist Church.

He is survived by his wife, Mrs. Pauline Harden; two sons, Ronald, who is a teacher at Kingman, Ariz., and Cliff, a student at Wayland College in Plainview and two grandchildren.

Other survivors are his parents, Mr. and Mrs. Harden of Canyon; three sisters, Mrs. Ismael Hill of Lubbock, Mrs. B. J. Hunter and Mrs. Forest Hill, both of Amarillo, and a brother, J. L. Harden of Riverside, California.

Funeral services were scheduled for 3 p.m. Monday, Nov. 11, in the First Baptist Church in Eunice with the pastor, Rev. G. A. Magee, officiating. Burial followed in Prairie Haven Cemetery under the direction of Griffin Funeral Home of Hobbs.

Jay Bryan Injured Near Home

Jay Bryan, 10-year-old son of Dr. and Mrs. Manly Bryan, was injured Friday while playing football with several friends.

"He ran into one of the boys and received a concussion and an eye injury," Mrs. Bryan said. The youngster spent several nights in the hospital but was released Monday morning to go home.

"Jay will probably undergo surgery on his eye in several weeks, but the concussion seems to be improved," Mrs. Bryan said.

The accident happened around 5 p.m. Friday near the boy's home at 2601 Tenth Avenue.

Cub Scout Den Four Meet Held

Cub Scouts of Den 4, Pack 131 worked on their achievement projects toward their Wolf, Bear and Lion badges at last Thursday's meeting in the home of Mrs. Raymond Raillard, den mother.

The boys practiced tying knots in rope, and tying boxes and packages securely during the meeting.

Members in attendance were Allen Carruth, Craig Henderson, Jeff Brown, Stephen and Paul Moore, Mike and Miles Raillard, Raymond and Gary Stipe, Benny Richardson, Mike Demus and the den mother, Mrs. Raillard.

Gordon Downings Host Bible Chair

Mr. and Mrs. Gordon Downings were hosts for a party for young married couples of the Church of Christ Bible Chair last Saturday evening in the Downings home.

Guests attending for games of "42" included Mr. and Mrs. Michael Liles, Mr. and Mrs. Don Teague, and Mr. and Mrs. Marvin Henry, Mr. and Mrs. Alton Peak and the Downings.

Hobbs. Pall bearers included Dudley Brown, Leo Pitchford, Jimmy Evans, Rex Mathis, L. W. Byous, Leslie Meete, Edsel Curruitt, C. H. Conway, J. W. Carron, deacons of the First Baptist Church and Eunice teachers.

Methodists To Workshop

The Amarillo District Curriculum Workshop for Methodist church leaders and teachers will be held at the San Jacinto Methodist Church in Amarillo from 7 until 9 p.m. on November 26th.

Designed to help the church get ready for new literature in the children's department, the workshop will have Dr. Vernon Henderson, of the conference staff on education, and other leaders to direct the training and planning session. "Christian Studies for Methodist Children" will be in use in September 1964 as new literature for the children's department in all area churches. All local church leaders and teachers in the children's department are urged to attend the workshop.

Church Chili Supper Success

An old-fashioned chili supper featuring homemade chili was held last Friday night at the Assembly of God Church with a total of \$114. being cleared by the church for use in their current songbook campaign.

Members of the church cooked and served the supper that consisted of homemade chili, beans, coffee or tea, and homemade cakes and pies.

The dining hall in the south addition of the church was used to serve the supper. Serving tables were decorated with arrangements of fall flowers, candles and filled cornucopias.

Money raised by the supper project will be applied to a fund that is being set aside to purchase new songbooks for the church.

GOOD HUNTING was the reward for Barry Morgan Brown and his grandfather Farmer Brown who spent Saturday near the Canadian River in Canadian, Texas. The two were hunting deer and quail. They shot their limit of quail but reported they could not find any buck. The quail season will be open until January 31, 1964.

Lynda and Bob Boyd visited his aunt and uncle, Mr. and Mrs. Woodrow Wesley, last Sunday afternoon.

Mrs. G. E. Wesley, Mrs. H. H. Shipman and grandson, Ralph Shipman, and Annie Reed were in Amarillo last Tuesday afternoon on a Christmas shopping spree.

Visiting Monday afternoon with Mrs. Pauline Wesley was Mrs. J. W. Wesley.

Raford Shipman and Emil, Ross and Pam, were guests of Mr. and Mrs. J. W. Wesley last Thursday evening.

Mrs. Carol Dean Rogers moved to Claude recently to be near the school that her youngsters are attending.

Visiting with Mrs. Mary Pearson and family recently was her sister, Mrs. Artie Pearson.

Mrs. Ross Duff was in the dentist's office one day last week for treatments.

Visiting in Borger last week were Woodrow Wesley and son, Bowie.

Mr. and Mrs. Charles Wilson took their small son, Roger Lee, to Oklahoma City recently for an allergy test.

The test showed that Roger Lee is allergic to insect stings and will need a shot each week to counteract the poison of wasps, etc. The recent tests showed that he is doing fine and it is hoped that during a course of about 3 years the situation will be cured.

Derrell Wilson will have a physical next Monday in preparation for induction into the Army.

Attending the football game between Happy and Lazbuddie recently were Mr. and Mrs. J. W. Wesley and Edna Wilson. Happy won the game with a 46 to 14 score.

Christmas shopping in Amarillo last Saturday were Mr. and Mrs. Charles Wilson.

Ronald Mooney delivered the morning service for our community church last Sunday.

He and his wife, Marvlee, later were guests in the J. W. Wesley home following church services. They then went to Amarillo where he was a guest speaker at one of the churches there Sunday evening.

He will not speak on Sunday, November 22, at our church because of a prior commitment to an Amarillo church for Sunday morning and evening.

Rev. Mooney will again speak from our pulpit on December 1 and everyone is invited to attend.

Mr. and Mrs. Ervin Wilson and children were guests in the J. W. Wesley home last Sunday afternoon and evening.

Guests of Mr. and Mrs. C. L. Wesley last Sunday afternoon included Mrs. Edna Wilson.

Woodrow Tucker has returned to our community after a three week absence. His wife and daughter returned with him.

Tom Moudy received a bro-

ken jaw last Friday afternoon in the football game between Lazbuddie and Happy.

Moudy the son of Mr. and Mrs. Tom Moudy, Sr., is still in the hospital this week.

The community Thanksgiving supper will be held on Saturday evening, November 23, instead of Nov. 22, as was formerly planned.

Mr. and Mrs. Richard Evans have finished harvesting and have now made a trip to Rockport where they will spend about a month.

The John Patterson family was in Groom last Sunday visiting with her parents. Her father is still in the Groom hospital but is reported to be improving.

We have received light frost in our community during the last few nights even though we haven't had much moisture other than dew.

Edna Wilson attended funeral services for Nancy Parker's grandfather in Canyon last Sunday.

The homecoming at Happy High School last Friday drew a big crowd as more than 360 were fed supper at the cafeteria after the ball game.

BSU Members To Sponsor 'Best Prof'

The eighth annual "favorite professor's breakfast" will be sponsored by the Baptist Student Union on the WTSU campus on Tuesday morning, November 26, at 6:30 a.m.

An award of recognition will be presented to the favorite professor at the breakfast in the BSU building. College students have been casting ballots for their favorite professors for several weeks and the winner will be announced at the breakfast.

Dr. Cecil Sherman, an associate in the department of evangelism for the Baptist General Convention, will speak at the professor's breakfast and a special musical program will be presented by members of the BSU choir.

JLA Seeking Members

A membership campaign for the Randall County Junior Livestock Association is now underway and dues of \$5.00 will entitle a member to all rights and privileges of the association for the coming year.

Four staunch supporters of the association who will head the membership campaign this year are Joseph Byrd, Barney Barnard, J. O. Parker and J. I. Fletcher. They will have a host during the next few days soliciting memberships.

All money raised from dues goes to support activities of the Randall County Junior Livestock Association.

The next big event for the association will be the Livestock show in January and more than a hundred boys and girls are now preparing to enter their animals in the show.

HD Members Attend Show In Amarillo

The annual style show presented by Blackburn Bros. in Amarillo was attended Friday afternoon of last week by members of the Highland Home Demonstration Club.

Fall and winter styles in suits, dresses, coats and accessories were presented on the program with several double knit items being shown. "The color trend this fall seemed to be toward the brighter tones of reds, blues, greens, and browns," commented Mrs. LeRoy Lamb, reporter for the club.

Members of the club attended a luncheon preceding the style show. They also held a short business session and discussed plans for the Christmas party of their club.

Mrs. Roy Lamb will be hostess for the next regular meeting of the club on November 27 at 2 p.m. in her home. Attending the luncheon and style show were Mrs. Clarence Howard, Mrs. Earl Boydston, Mrs. Roy Lamb, and Mrs. James Lamb.

CS Pack 31 Meets Tonight

A pack meeting for Cub Scout Pack 31 will be held on Thursday evening, tonight, at the First Presbyterian Church of Canyon.

The pack meeting will include a dress inspection for charter of the Pack. Conducting the inspection will be Dick Ziegler, cub master, and other leaders of the group.

OES Honors Happy Masons

A Thanksgiving supper honoring the members of the Masonic Lodge of Happy and their wives was presented Tuesday evening by members of the Happy Chapter No. 562 of the Order of the Eastern Star.

Ninety-five guests were registered for the supper in the Masonic Hall at Happy. The turkey supper and all accompaniments was provided by members of the Eastern Star.

First Graders Present Play

"Our Storybook Friends" was presented by the first grade students of Canyon Elementary School last Friday afternoon as a program for their mothers and friends.

Planned as a culmination of Book Week, the program was a parade of storybook characters who introduced themselves to the audience of 80-100 mothers. Following the introduction, other storybook characters sang a short chorus on their part in storybook land after which each character joined the chorus.

The first grade students were dressed in costumes of their favorite storybook character from the classic children's library. Mrs. Glenn Dowlen provided musical accompaniment for the chorus.

Mrs. Sidney Burgess and Mrs. Joe Black, first grade teachers, planned and directed the afternoon program.

Scouts Have Honor Court

Three boy scouts received the Eagle award Monday night at Troop 31 Court of Honor. Andy and Clifford Sherrod and Kenneth Hammons were presented the Eagle awards from Mr. Bob Wear and Rev. Newton Starnes.

Army and will show numerous color slides of the Korean country and its people.

man, Sheldon Johnson, Tom Van Valkenburg, Tim Van Valkenburg, Johnny Abbott, Harvey Risner and Tom Callarman. Ricky Warren, Craig Parker and Curtis O'Donald were presented with star awards. Merit badges were given to 18 boys during the program.

Refreshments were served in the basement of the church following the Court of Honor and Randy Warren showed slides of his scout trip to Greece this summer.

9th Grade Choir Has Production

Members of the ninth grade choir will present a musical comedy in the Junior High School auditorium at 8 o'clock Tuesday night.

"The Band Wagon" is a story of two boys who accidentally get suitcases belonging to two girls. The boys must appear at a party wearing the clothes which they found in the baggage.

Donald Roddy and Steve Hilton will be the male leads in the production and Sharon Kerbel and Pam Sternberg will share the female lead positions.

Katie Upshaw will play the old maid school teacher; Mark Olson portrays Professor Evans; Ray Walker and Becki Lassiter will play the two porters, and Vicki Daniels will be Jeanette.

Katherine Harris will play Marybelle and Connie Clifton will be Betty Lu. Don Howard portrays Cadet Gray and David Albers plays Bob Benson. Gene Murry is director of the play and Mary Helen Demus will be the accompanist.

Admission to the 45 minute production will be 50 cents for adults and 25 cents for students. Children not yet in school will be admitted free of charge.

Local Couple Honorees At Housewarming

Mr. and Mrs. Edd Reynolds were honored with a "housewarming" by a number of their friends last Sunday afternoon.

The Edd Reynolds, active old timers, have lived on the Ed Harrell ranch for a number of years and having recently retired they bought the home of Mrs. Ed Harrell, Sr. at 1000 4th Avenue.

Over 100 friends of the couple showered them with gifts for their new home Sunday afternoon between the calling hours of 2 and 5 p.m.

An artificial arrangement of pink flowers centered the serving table and were flanked with pink tapers. The floral centerpiece was presented to the couple as a gift from the host couples.

Silver appointments were used to serve cake, nuts, mints, and coffee or tea to the guests who visited the Reynolds new home.

Host couples for the social event were Mr. and Mrs. H. G. Persons, Mr. and Mrs. Earl Reynolds, Mr. and Mrs. Albert Byars, Mr. and Mrs. C.F. Reynolds, Mr. and Mrs. Jack Foster, Mr. and Mrs. Roy Reynolds, Mr. and Mrs. J. J. Walker and Mr. and Mrs. Lee Harlan.

Bob Rivers Transferring

Bob Rivers, patrolman for the Texas Department of Public Safety Highway Patrol Service, is transferring to Brownwood effective December 1.

Rivers has served as highway patrolman in the Canyon area for 3 1/2 years. He is transferring to region 4 of the highway patrol service.

He and his wife, Barbara, have two sons, Bobby, 5 years, and Bradley, 6 months.

Holidays Ahead

First of the seasonal respite from classes will be observed by West Texas State University students when they leave the campus at noon Wednesday to be home for Thanksgiving.

The holiday officially starts at noon Wednesday, with classes resuming Dec. 2 at 8 a.m., according to Dr. Walter H. Juniper, dean of the university.

Second seasonal holiday for WTSU starts at the close of classes Dec. 20, with the Christmas vacation extending through Jan. 5.

WHAT A MIXUP--Pam Sternberg, Donald Roddy, Steve Hilton and Sharon Kerbel find things hard to believe in the musical comedy production to be presented Tuesday night by the ninth grade choir in the Canyon Junior High School auditorium. "The Band Wagon"

tells a story of how suitcases of two young men are confused with suitcases of two young girls. And the couples finally find each other, with the others' clothes on. Gene Murray is the director of the play which begins at 8 p.m. Tuesday.

FHA Presents Historical Pageant For Sue Hite Club

"Salute to the Stars and Stripes", an historical pageant, was presented Monday afternoon of last week by members of the Future Homemakers of America at Canyon High School.

The program presented as entertainment for the Sue Hite Club of Canyon, was directed by Mrs. Clara Long, chapter sponsor. The original idea for the historical program depicting the entry of each state into the union of the United States of America was first presented several years ago at a National FHA Convention.

The Canyon FHA chapter decided to replace the paper flags used at the national convention with cloth replica flags of each of the states. Mrs. Royal Brantley and art students at Canyon High School assisted the FHA chapter with making the flags that feature emblems and design duplicated from each of the state flags.

Presented to the Texas state organization of Future Homemakers of America, the flags have been loaned to other chapters throughout the state and have been used in over 200 presentations of this historical program. The program will be presented on April 3rd by the FHA chapter of Canyon High School in Association with Americanism Week.

Participating in the program last week were Nancy Hicks and Renee Owens who introduced each state of the union and gave a short speech about the state and its admission to the union.

Gayle Rea gave the welcome address for the guests from the Sue Hite Club and special musical numbers were presented on the program by Marion Henson who was accompanied by Mary Ann Wheelock at the piano.

Lee Ann Kelley represented Miss FHA on the afternoon program and representing states of the union were Lowann Sparkman, Jean Robinson, Sherri Lassiter, Carolyn Turner, Sherri Hare, Rosemary Cerdson, Mickey Davis, Pat LeGrande, Joyce Louder, Sharon Reed, Rachel Wall, Rita Tremble, Shirley Gill, Karen Corey, Judy Byars, Regina Maxwell, Susan Gilham, Shirley O'Donald, Rue Ann Guill, Karen Bonning, Carol Kelley, Diana Day, Judy Stewart, Diana Jester, Shirley Platt, Patsy Harter, Linda Hughes, Beth Jarrett, Dorinda Stroup, Nancy Maxwell, Carolyn Phillips, Kathy Strohmeyer, Ann Fisher, Dorothy Szydoski, Vicki Henderson, Gail McKinney, Linda Coffman, Cindy Gruner, Janie Fisher, Laura Plank, Mary Ann Cox, Wanda Graham, Cindy Taylor, Wanda Owens, Kathy Marrs, Deana DeBord, Sharon Lisle, Sylvia Wall, Bobby Parsons, Patsy Thomas, Dianne Williams, and Carlisse Willard.

Lighting effects for the program were arranged and handled by Claiborn Crain and Reggie Reeves.

Rev. Strauss Atkinson, pastor of the First Baptist Church of Canyon, presented a program of pictorial slides on the Orient for

about 80 home economics students at Canyon High School last Tuesday afternoon.

Rev. Atkinson showed slides that were made last April during his tour of the Orient with the Japanese New Life Movement. The program included an informative speech on food, clothing, culture, industry, and religion of the peoples in China, Japan, and the Philippine Islands where he visited during the tour.

Of special interest on the program was a short talk about the Mikimoto, Pearl Island, where

artificial pearls for necklaces and other jewelry are grown. He also spoke about large decorative buildings and castles that have been renovated in recent years to be used as museums.

"Planting and harvesting festivals are the main interests and holiday seasons for the peoples of these countries," commented Rev. Atkinson. "These lands of China and Japan are becoming more densely populated each day as the Red Chinese are entering the countries in large numbers."

Camporee Scheduled By District Scouts

An Indian Dance Team from Troop 31 of the Canyon Boy Scouts will perform at the District Camporee for Boy Scouts to be held this week end, November 22-23, at Camp Don Harrington.

The Indian Dance Team was formed this year under the direction of John Brandon, order of the Arrow Lodge Chief, and will perform for various groups this year. The scouts of Troop 31 participating in the dance team wear complete Indian costumes and are learning the customs of the Plains Indians. The dancers are Archie Davis, Bryan Fassauer, Ronnie Hager, Stoney Ormsby, Pat Hickman, Craig Parker, Gary Moore, Johnny Abbott, Andy Sherrod, Mark Raillard.

A highlight of the fall season, the week end Camporee will include events in flint and steel, first aid, knots, signaling, a Scout pace race of a mile and a flag jack contest.

Each patrol will be inspected three times during the week end and inspections will account for about 60 per cent of the total scoring for ratings of first, second and third that will

Eagles Bag Antelopes 67-0 In Final Game Of Season

BY JIM MARTIN

Antelope season was wide open in Buffalo Bowl Friday night and the Eagles bagged their limit as they downed the Abernathy club by a score of 67 to 0.

Thirteen seniors wound up their high school career with an outstanding performance. Jim Whinnery, John Lowe, Bobby Evans, Joel Richardson, Donald Breitling, Gary Fletcher, Bill Jarnagin, Stanley Prichard, Danny O'Donald, Dudley Moore, Don Hawkins, Eddie Poole and Don Rhode graduate in May of 1964.

The Antelopes kicked to get the game under way. A fumble on the kick off return gave Abernathy possession of the ball on the Eagle 28 yard line. A strong Eagle defense held Coach Richard Eddleman's squad to no gain in three tries and forced a kick on fourth down.

The kick, off the toe of Mike Tannehill went out of bounds on Canyon 12 yard line where the first long Eagle march to paydirt began. Piloted by quarterback Jody Richardson, the Eagles moved 86 yards in 11 plays to set up the first tally of the game. With the ball resting on the 2 yard line Don Breitling plunged through for the score. The try for point failed and with 5:09 left in the first quarter of play the Eagles led 6 to 0.

Breitling booted the ball to the Antelope 25 where it was taken by Jake Mallow and returned for only one yard before he was dropped by Whinnery and Breitling. The Antelopes were able to get off only 5 plays before a fumble was recovered by the Eagles on the 30 yard line to set up another TD.

Evans carried for a gain of 5 then Gary Fletcher charged to the Antelope 4 only to have it called back on a 15 yard holding penalty. Breitling then carried to the 20, John Lowe for a gain of 8 to the 12 yard line. With fourth and one Breitling again hit the scoring column by scampering the remaining 12 yards for the TD with 1:54 left in the initial period. The point after kick was no good and the score stood at 12 to 0.

Breitling kicked the football to the Antelope 12 where it was picked up by Tommy Adkisson for Abernathy and returned to the 32 before he was upended by Eddie Poole.

On first down, quarterback Lane Wade tossed a long pass down field to Adkisson which was picked off by Bobby Evans for the Eagles on the Canyon 30 yard line and returned to

the Abernathy 28. A 15 yard penalty against the Antelopes set the ball down on the 13 where it was first and ten for the Eagles. Four plays later Alex de Schweinitz crossed the double stripe from seven yards out for the third Eagle tally. The try for point by Breitling was good and the score with 22 seconds left in the first quarter was 19 to 0.

Breitling's kick was fumbled by Abernathy on their own 22 and recovered by the Eagles. On the last play of the first period Tom Lair carried the ball for 11 yards down to the Antelope 9 yard line. Evans then carried for no gain, Wilson Howard for a gain of 3 from which point Evans went over for the touchdown with only 47 seconds of the second quarter gone. The point after by Stanley Prichard was good and the

score stood at 26 to 0.

After two brief exchanges of the ball the Antelopes faced another kicking situation from their own 6 yard line. Kicking into the stiff breeze the ball went down field only four yards from the line of scrimmage. Haley carried to the Sandagain into the endzone only to have the play nullified by a 15 yard holding penalty. Lair then passed to Wayne Brewer behind the double stripe for the TD. The try for point by Phillip Parker was good and the score, with 4:45 left in the half was 33 to 0.

The next Eagle score came with only 2 seconds left in the first half when Richardson plunged over the center of the line from one yard out. The try for two points failed and the first half ended with the score standing at 39 to 0.

The second half of play was only a repeat of the first half. Poole scored on a 17 yard pass from Richardson, Haley on a 36 yard pass from Lair, Brewer on a 40 yard sweep of left end, and Buttrill on a 16 yard charge through the line. A two point safety was gained when the ball was grounded in the endzone. Extra points were kicked by Colling and Prichard to add up the final total of 67 to 0. Pass interceptions in the second half included one by Whinnery, one by Lair and two for Richardson.

An outstanding performance was turned in by the entire defensive line up for the Eagles. This was the final game of the season for both clubs.

Eighth Grade Drops Cage Tilt 19-16

The Canyon eighth graders dropped a close 19-16 basketball opener to Dimmitt Monday. The score was knotted 11-11 at halftime. But then Dimmitt broke the three point lead in the final two periods to eke out the win.

Canyon led the home team at the end of the first stanza. Andy Moreland was high point man for Canyon.

"The boys handled the ball real well. We had some good shots but couldn't put the ball in," coach Gary Steinberger said.

The Canyon seventh graders blasted Dimmitt 35-12. Dennis Pearson was high point man for Canyon with 12 points.

Canyon's seventh, eighth and ninth graders will host Hereford at the Canyon Junior High Gym Monday. The eighth graders play at 5 p.m., seventh graders at 6 p.m. and the ninth graders play at 7 p.m.

Eagles Face Borger In Opener Friday

The Canyon Eagles open the 1963 basketball season at Borger Friday at 7:30 p.m.

Coach Allen Simpson will be taking his cagers back to battle his high school alma mater and former basketball coach E. B. "Tex" Hanna.

The Eagles are defending the District 2-AA championship. They gained their title to the state finals last season.

Borger is a power in District 3-AAAA and is expected to have another tough club. The Bulldogs have been pounding the hardwoods since Sept. 1. They lost only four boys from last year's squad.

All but one of the Canyon cagers have been out for football and Monday was the first day of basketball practice. It will be two to three weeks before the Eagles will be in shape. "I hope we can give Borger a good game," Simpson stated. Borger is a run and shoot type of club. Both clubs will be about the same height.

Starters for Canyon are still undecided for the opening tilt since this is only the first week of practice.

Basketball Boosters Meet WTSU Players

Members and prospective members of the West Texas State University Basketball Booster Club attended a meeting Thursday at the WT Fieldhouse.

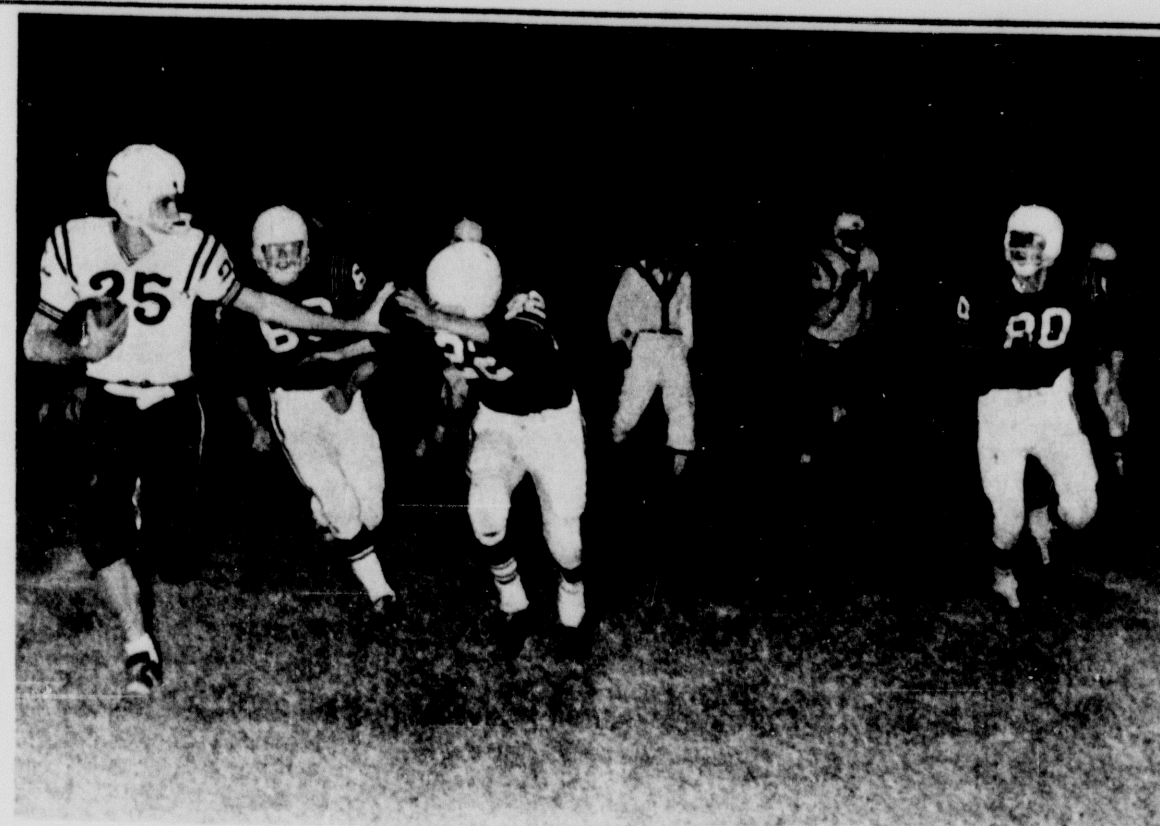

Those who attended were introduced to members of the varsity and freshmen units. They also viewed the existing basketball facilities. A tour of the offices, supply rooms and the new Booster Club room was also given.

A scrimmage was viewed by those present. The basketball players were also introduced and they displayed their new uniforms.

Refreshments were served to those present.

Officers of the Booster Club include president James Scott, vice president Joe Fortenberry, secretary Don Briggs and treasurer Bob Bellah.

Membership may be gained in the booster club by contacting OL 5-2161 ext. 311 or 367. Fee for membership is \$10. It is only necessary for one member of a family to join to gain access to the special privileges.

Bufs To Close With Contest At El Paso

By John Shields

West Texas State will close out its first football season played as a university at El Paso November 30.

The Buffaloes will battle a tough crew from Texas Western in the season finale in search of a fifth season victory. West Texas will carry a 4-3-1 mark into the contest.

The Miners record isn't too impressive as far as wins go but their 2-6 mark doesn't indicate the true story. Texas Western has played some of the top teams in the nation.

Only last Saturday the Miners gave the revamped Texas Tech Red Raiders one of their toughest battles of the season before falling, 7-3. It was Tech's fifth win of the season and left them with a 5-5 record. West Texas tied New Mexico

their disfavor.

Every member except quarterback David "Hoot" Gibson and halfback Pete Pedro should be at full strength for the final tilt.

Pedro was injured in the third game against North Texas State and is still nursing a knee injury suffered in that game. He racked up 360 yards rushing until that time and is still the leading ground gainer for West Texas. The Lynn, Mass., speedster still remains a question mark and is a doubtful starter against Texas Western.

Gibson was injured in the game against the University of Arizona. He was operated on for a shoulder separation and is out for the season. The Odessa native is a senior and has played his last game for the Buffs.

He played primarily as a defensive specialist in his first three seasons at West Texas. Gibson moved up to offensive starter this year after three year starter Jim "Corky" Dawson graduated.

Jerry Don Logan, star back last year for the West Texas State Buffalo football team, is the father of a baby son born recently in Baltimore.

Jerry Don plays punt returns and kick off returns for the Baltimore Colts, a professional football team.

Mrs. Logan is the former Miss Fannie Boulware of Dumas. She is a former West Texas student.

County Eyes Transport Problem

Randall County commissioners in a brief session Monday authorized advertisement for bids to provide a new pickup truck for use by Precinct 1 maintenance crews and discussed means of streamlining transportation and storage of voting machines.

The county will formally advertise for a new, 4-wheel-drive truck with long wheelbase. Offered in trade will be a 1957 half-ton truck. Bids will be opened Dec. 2.

Discussion of the voting machine problem centered on a safe storage place and a means of easily moving the heavy machines from storage to voting places at election time.

County Judge Wayland C. Angel suggested that he and commissioners determine whether the county can purchase a fork-lift truck in time for 1964 elections.

Commissioners also were scheduled to survey a number of possible storage places for the machines.

So far, the voting machines have been moved at election times by a bonded moving firm.

Fishing and vacationing at Houston for several weeks recently have been Mr. and Mrs. Porter Campbell of Canyon.

The Campbells were houseguests of their daughter's family, Dr. and Mrs. Jack Tucker.

Cowboys Please Homecoming Crowd With 45-14 Victory

BY MARGO WILLIAMS

Happy Cowboys roped, tied, and branded the bucking Lazbuddie Longhorns 45-14, Friday afternoon.

All the Happy team saw action as 1100 Homecoming fans yelled for a Happy victory in Cowboy Corral.

Taking a first half lead of 29-0 Happy had possession of the ball almost the entire first two quarters.

Gary Culp, Happy quarterback, kicked off to Kenneth McGehee who grabbed the skin on the 15 and was downed on the 28 by Eddie Moudy. With first and 10 on the 28 Lazbuddie's Johnny Mabry took the handoff for a 2 yard gain with Doyle Bryan. Happy halfback, tabbing him, McGehee tried a quarterback sneak for a gain of 1 with Mark Maynard and Wayne Stevens in for the tackle.

Gary Mac Brown carried on the third down for another three yards with Jim McManigal for Happy grabbing the carrier. With a fourth and 5 Mabry kicked to Tom Moudy who took the pigskin on the 15 and was dropped there.

Bryan was handed the ball and was stopped by a host of Longhorns. As the air cleared on the next play a red flag was on the ground and Lazbuddie was penalized 5 yards for off-sides. With third and 1 to go Tom Moudy, junior halfback, dodged and jotted downfield for a 60 yard run which downed the ball on the Longhorn 15 yard line. Moudy again took the handoff from Eddie Moudy, quarterback, and made 1 before

McGehee stopped him.

Bryan was the powerman who was called on for a gain of 5 and with third and 4 Bryan was used for another 3 yards. The ball rested on the 5 with a fourth and 1 situation facing the Cowboys when another off-sides penalty was called on Lazbuddie. A first down and 3 to go for the touchdown brought Eddie Moudy through the line for Happy and the first tally of the game. Culp kicked the extra point and Happy led 7-0.

Again Culp kicked off to McGehee who ran the ball from the 15 to the 32 before Mark Maynard, sophomore halfback, topped him. McGehee carried on the first down from the 32 with no gain and Brown followed on the second down. Wayne Stevens, junior end, dropped him on the 47. Happy Jennings attempted a handoff on the first down for Lazbuddie but Tom Moudy dropped on the ball for a Happy recovery on the Longhorn 42 yard line.

From the 42 in the first play of the series Cowboy McManigal drove to the 35 for a gain of 7. Moudy followed up the play with a gain of 2, and on the next play Lazbuddie was called off-sides again and the Happy first down was awarded. Culp carried from the 26 for another first down and Bryan moved the ball on to the 15 before Lewis Seaton pegged him. Moudy drove to the 13 on the second down and with third and 2 little Tom Moudy twisted his way across the goal for the second TD. After Culp's kick the score stood at 14-0 for Happy.

Cowboys kicked and the visitors took over at the 35 on their first down series. Brown carried but Joe Johnson, junior guard, and Moudy threw him for a loss of 5. Second and 15 forced Brown to carry again but he was downed by Tom Moudy on the 36. Eddie Moudy stopped the next play with Mabry carrying for a loss of 2. Facing a fourth and 11 fullback Mabry made a beautiful run around right end for the first down with

Johnson bringing him down on the 46. Brown armed the skin on the first down for a loss of 6 but an offside against Happy put the ball on the Happy 49 with first and 5. An incomplete pass from Brown held the Longhorns at second and 5, but a penalty against Lazbuddie moved the ball back to the 41. Swift Wayne Stevens jumped to his toes to intercept a pass on the third down at the Happy 36.

Bryan carried on the first down to the Happy 39 and a pass from Eddie Moudy to Stevens was complete for a gain of 4. McManigal carried on the next play for the first down on the 50.

Another penalty on the Longhorns put the ball on the 45 making it first and 5. McManigal gained 4 and Moudy followed with a gain of 4 for the first down on the 37. Moudy served for another 3 and Bryan was called on. A 5 yard penalty on the Cowboys put the ball back on the Lazbuddie 39 and second down with 11 to go. Mark Maynard carried from the 39 through a strong patch of Longhorns and crossed the goal line for another Happy score. A fake kick from Culp which ended in a pass to Jim McManigal pushed the tally to 22-0 for Happy.

The Cowboys' kickoff was taken by Brown on the 14 who ran to the Longhorn 37 before James Haley, sophomore tackle, and Bryan pegged him.

A pass from Jennings dropped short of Brown's arms. Culp showed his quick thinking on the following play as he picked off the next attempted pass on the 40 and ran to the 23 yard line.

Moudy threw an incomplete pass to Stevens on the first down and on the second try he ran to the 12. Bryan carried on the next play and was clear for another Cowboy touchdown. Culp kicked for the extra point and a score of 29-0.

Brown began the play for Lazbuddie on the 26 for a gain of 4 and an incomplete pass from Jennings made the Longhorns face a third down and 6. Mabry ran with the skin but Moudy dropped him for no gain. With fourth and 5 Mabry punted, Culp blocked the kick and recovered it on the 21. Culp carried on the first down for a gain of 1. Randy Johnson, freshman quarterback, called for a pass but it dropped incomplete. On third and 9 David Hodges ran to the 14 for the first. Hodges carried again for a gain of 7 and Randy Johnson ran to the 7 yard line as the half time buzzer sounded.

Lazbuddie came back strong in the second half to score two touchdowns and hold the Cowboys several times in gaining yardage.

H.W. Moore kicked off to Moudy to begin the second half of play. Bryan began the first series of play from the 20 for Happy and a 15 yard penalty against Lazbuddie put the ball on the 39 yard line.

Moudy carried for a gain of 1 and was given the handoff on the second down for another 5 yards. Another 15 yards against Lazbuddie put the ball on the Longhorn 40 for a first down. McManigal carried for another first but on the next play a handoff from Moudy was fumbled and Moore recovered for the visitors. Mabry carried on the next play and Tom Moudy cut him down on the 43.

Mabry took the handoff but Wayne Stevens and James Haley bagged him on the 33 for a loss of 10. Larry Stevens blocked a pass from Jennings. With third and 20 Jennings completed a pass to Mabry and Lance Cox and McManigal dropped

ped him. A penalty against Happy placed the ball on the 40 with 15 to go. Mabry attempted a kick but it was blocked. The dust rose and the men upiled showing that Lazbuddie had recovered. Brown ran with the ball on the next play and trotted downfield for the first Longhorn tally. Jennings ran with the skin for two extra points and the score stood at 29-8 early in the third quarter.

McManigal received the kick-off on the 40 and was dropped on the 49. Bryan carried on the next play for one yard and Culp was ready on the next down for 3 more. With third and 6 to go Moudy passed but Jennings intercepted for Lazbuddie and ran back to the Happy 40 before he was dropped by Mike Flaherty. Mabry armed the skin on the first down and toted the ball to the 36 before Bryan tackled him. From the 36 Jennings tossed the ball to Brown who crossed the goal line for the second time for Lazbuddie. The kick by Jennings was no good and the score stood at 29-14 in favor of Happy.

Bryan began the first of the series of plays for the Cowboys from the 50 yard line and moved to the 47. On the second down he carried for no gain with Jennings stopping him. Maynard carried on the third down for a first down with the ball resting on the 25. A penalty against Happy put the ball back on the 30 with first and 15 to go. McManigal carried to the 9 and a fumble occurred on the next down with Lazbuddie recovering.

Mabry carried from the 9 to the 16 before Stevens dropped him. A pass from Jennings to Brown placed the ball on the Happy 46 with Hodges biting the ground for the tackle. Mabry ran through the middle for a gain of 4 and Jennings was thrown

for a loss to the 47 by Cox. Mabry ran back to the Happy 45 before McManigal pegged him. A pass from Jennings to David Nelson was good for 2 yards on the third down. Mabry attempted a pass but it fell incomplete on the 43 and Happy took over.

McManigal took the handoff on the first down for a run to the 45 and the first down. Maynard ran through the line to the 37 and a gain of 8. With second and 2 McManigal carried for no gain. A fumble on the next play resulted in Lazbuddie taking over the ball on their own 35 yard line.

Jennings passed to Mabry for a run to the 42 and a gain of 7. Jennings was through the middle but was dropped for a loss. Lloyd Rahls supported the tackle on the 38. Mabry tried to move forward but was grounded by Bryan on the 25. On fourth and 20 Mabry fumbled and Culp recovered.

Gary Culp carried from the 27 on the first down to the 5 yard line and a first down. McManigal was through the middle to the 3 and Culp carried on the second down for the fourth Happy touchdown. A pass from Culp to Maynard cinched the two extra points and the score read 37-14 with minutes left in the game.

Culp kicked off to Buddy Embury who carried to the Happy 47. McManigal intercepted a pass from Jennings on the first down and ran to the 44. McManigal took over again and was dropped on the 41 for another first down. Bryan moved the ball through the middle for a gain of 20. Culp carried around the end for more yardage and as the seconds ticked off Culp passed to Maynard for the final touchdown. The two point conversion was good and the buzzer sounded as the score of 45-14 registered on the board.

Turkey Run Set Tuesday

The sixth annual West Texas State University Turkey Run will be held Tuesday at 4:30 p.m.

Starting point will be on the loop highway in back of Stafford Hall.

The cross country race will cover one and two-tenths of a mile around the WTSU campus. It is an event sponsored by the West Texas Intramural Department with various Canyon merchants and different campus fraternities and sororities donating the prizes.

Any student attending WTSU is eligible to enter the race. There will be no admission charge. Those who wish to enter must pick up an entry blank at the Intramural Department office in the Physical Education Building. They must be completed and returned by Monday.

It was noted that students wishing to enter should be doing some type of conditioning in preparation for the event.

Jerry King won the run last year, setting a new record of 7:49.9. Thirty one entrants finished the race.

Thus far, five turkeys have been donated for the race. Any organization or business may still donate a turkey or other prizes to be given to those that finish the race.

Other prizes will also be presented. The Intramural Department will give eight plaques.

Fraternity teams and other intramural teams may enter and receive points to count on their final totals. Each team may designate six entrants who may compete for points in the run. But as many as desires from any team may enter competition for the prizes.

For each entrant who completes the race his team will receive two points.

Taylor and Sons Foods, Cooper's Market, Bellah's Super Market, Phi Epsilon Kappa and Lambda Chi Alpha have given the turkey's to be given Tuesday.

Orva Henry had lunch with his mother, Mrs. Lillie Henry, Monday of this week.

Bowlers Win 2nd Place

Two bowling teams from Canyon placed in the second annual president and secretary doubles tournament at Canyon Bowl Saturday and Sunday of last week. Presidents and secretaries of the Canyon bowling leagues were in competition against officers of bowling leagues in Amarillo.

Burwell Southern and Marty Catoe of the Mixed Up Couples League of Canyon bowled 1242 for a third place showing and Jack Ziegler and Gilbert Ray of the Businessmen League of Canyon had 1236 for fourth place.

This was the first men and women's bowling association tournament to be held in Canyon. Sixty teams were represented in the tournament with six of them from Canyon.

The teams from Canyon were Fletcher Moseley and Sue Anderson; Benny Cooper and Jimmy Simon; Carol Schrib and Ruth Lassiter and Mayne Berry and Laura Pitt.

First place winners were Albert Potts and Gerrel Purser of Amarillo with 1321. Second place honors went to Donald Mitchell and M. L. King with 1262.

National Club Has Amarillo Luncheon

The National Mother-in-Law Club's annual Thanksgiving luncheon was held Monday at Wyatt's Cafeteria in Amarillo with five ladies from Canyon in attendance.

They were Mrs. Fred Marshall, Mrs. Gladys Haines, Mrs. Alice Black, Mrs. Grace McDougal and Mrs. Curt Samples.

meeting was devoted to planning and practicing for their pack meeting that will be held on Friday, November 22.

Arvil Floyd furnished refreshments for other members present who included Ronnie Cates, Ronnie Williams, Perry Masterson, Duane Harp, Brad Oglesby, Jimmy Starkey, Tommy Burkhalter and Leslie Rogers.

Services For I. L. Perkins Held Sunday

Funeral services for I.L. Perkins were conducted Sunday afternoon at 2 o'clock in the First Methodist Church in Canyon.

Rev. Herschel L. Thurston of Hereford officiated and Rev. Newton Starnes of Canyon assisted. Burial followed in the Dreamland Cemetery under the direction of LaGrone Funeral Chapel.

Pallbearers for the services were Dewey Foster, John Jennings, Norman Glenn, Joe Baber, Roy Russell and Bert Begon.

Mr. Perkins was born August 13, 1881, in Austin. He moved to Hall County in 1916 and then to Petersburg in 1938. He was a member of the First Methodist Church in Petersburg. He and his wife, Ophelia Perkins, lived at 1905 Fifth Avenue in Canyon.

Mr. Perkins was in Thurmon's Convalescent Home in Amarillo at the time of his death. He died Friday at 6:30 p.m. in the home.

He is survived by his wife; two daughters, Mrs. Alfred Woods and Mrs. Wesley Woods, both of Canyon; one son, Robert L. Perkins, of Hearne; seven grandchildren, 12 great grandchildren, one sister, Mrs. Georgia Stewart of Austin, and one brother, E.P. Perkins of Bastrop, Texas.

Marble Toss By Cub Scouts

A marble tossing game was held at last Thursday afternoon's meeting of the Den 1, Pack 131 of the Cub Scouts.

The Cubs made a clown head of a bleach bottle and played a game attempting to toss marbles into the bottle through the mouth opening.

Refreshments were served by Marvin and Lee Griffin. The regular meeting was opened with the Cub Promise and closed with the Den Yell.

Members at the meeting were David Morris, Mike Blevins, Johnny Burdorf, Larry Brummett, Marvin and Lee Griffin, and Phillip Stephens. Den mother for the group is Mrs. Ed Burdorf.

Clayton Devins Are Re-Elected By Happy Exes

Mr. and Mrs. Clayton Devin were re-elected to serve as president for the Ex-Student Association of Happy High School during the business meeting of the ex-students last Friday afternoon in conjunction with other homecoming activities of the school.

Other officers who will head the association include Mr. and Mrs. Dale Whitlow, vice president; and Mr. and Mrs. D. L. Allison, secretary.

An estimated crowd of 400

were in attendance for the homecoming supper Friday night that was catered by Hoyle Shipman.

Windy Miller of Canyon was the master of ceremonies for the homecoming assembly program. A special note of thanks was read from officers of the ex-student association who commented on the help that they had received from Mrs. Dora Ratjen, Mrs. A. C. Miller, Mrs. Tom Henry, Mrs. Bruce Fields, Mrs. Clyde Hancock, Mrs. Walter Via, Mrs. Eugene Sims, Alden Mann, Mrs. Tolly Gurley, Mrs. Clovis Vernon, Mrs. Jerry Dushman, Sandra Evans, Mr. and Mrs. James Parker, Morlan McManigal and members of the school board, the faculty and high school students.

Mark Kuster, son of Mr. and Mrs. Joe Kuster of Clayton, New Mexico, recently was injured when a stick flew up into his face and struck him near the eye.

Mark and his parents were in Amarillo to have it checked Monday of last week and had to remain here until Thursday. They were houseguests of Mr. and Mrs. Anton Kuster while in town.

Tom Dettin, Guy Owens and Paul Mirandy were on a recent fishing trip at Ute Dam and Lake Concho Dam. They were real fishermen and brought home a catch of 61 fish.

Mr. and Mrs. Joe Dettin of Washington Road were in Oklahoma City, Oklahoma recently to take their sheep to market. While in Oklahoma they also visited in Ponca City with the Dick Dettin family.

While their parents were out of the community, the Dettin children visited with Mr. and Mrs. Tom Dettin of the Rim Rock Ranch.

The David Pulleys are now at home on Route 2, Amarillo following their recent marriage and honeymoon trip. Mrs. Pulley is the home demonstration agent for Randall County.

Mrs. Ruth Clark and Mrs. Winnie Gifford were hostesses for a Style Show at the Kon Tiki Room of the Americana.

Visiting with Mrs. Connie Dowd last week was her mother, Mrs. Grace Hill.

Mr. and Mrs. Billy Ray Black visited in Amherst last Sunday with his parents, Mr. and Mrs. E. L. Black, and also were guests of Mr. and Mrs. Gene Campbell. Black is a sister of Mrs. Campbell. The Campbells have a new baby daughter.

Mrs. W. H. Lusk and Calvin Robinson were in Amarillo and visited with the L. C. Robinsons. Calvin was in town to visit with the doctor about his foot.

Recent guests in the home of Mr. and Mrs. W. Carroll, Jr. were Mr. and Mrs. Gaylean Riddell and family of Cee Vee.

Guests in the Ted Allen home recently were his mother, Mrs. Violet Fritts, and brother, Cecil Fritts, of Amarillo and the Werner Henschied family of Canyon.

Mrs. Paul Fluegel, Sr. is doing fine and expects to leave the hospital sometime this week.

J. R. McCurdy is still in the hospital.

Our sympathies to Mrs.

Junior Buffs Dropped By Dumas Champs, 12-8

The Canyon Junior Buffaloes dropped a close 12-8 encounter with the Dumas champions at Dumas Saturday.

They play in the 8-9 years of age group.

It left the Buffs with an outstanding 8-2 mark for the season. Their only other loss was to league champion North Heights, 12-0.

The first score of the game came in the second stanza when Dumas got its first tally on a 16 yard run. The extra point attempt failed and the halftime score was 6-0.

The third period was scoreless with Canyon controlling the

ball most of the quarter but failing to push across a score. Canyon took an 8-6 lead with 3:00 remaining in the final period. Tommy Greenhoe carried the pigskin to the two before he was dropped. Robbie Carter scored on a two yard plunge. David Warren ran the extra points.

With only 1:15 left to be played Dumas was threatening once again at the Buff's nine. But after three plays they failed to score. With only five seconds to go a pass was complete in the end zone for the winning score.

A committee headed by West Texas State football coach Joe Kerbel selected David Warren as the outstanding back and Allen Ebeling as the outstanding lineman. Both are from Canyon.

"There was a great bunch of boys on the team and they all played real hard. They were a great bunch of sports through out the season and all showed great improvement in their first year of football. I want to express my appreciation to those who supported the team and particularly those parents who furnished transportation to the games in Amarillo and the one in Dumas," D. J. Keivit, Buff coach, stated.

"The entire team played outstanding ball and each one played real hard. Selection of those two as outstanding players was difficult for the judges," he continued.

Members of the squad were Gary Hair, Terry Greenhoe, Robby Carter, Ricky Ziegler, Ricky Brown, Tom Greenhoe, Des Altmiller, David Warren, Doug Phillips, Mark Bagwell.

Criddle Loses In Box Bout

Jerry Criddle of Canyon was decided by Joe Chavez of Clovis, N. M. Saturday in a Golden Gloves bout.

Boxing coach Elmer Clement said, "It was one of the best fights I have ever seen Jerry fight."

Criddle fights in the 120 pound high school class.

Buddy Tucker, also of Canyon, was scheduled to fight but was sick and unable to fight. He is in the 95 pound Pee Wee class.

Any youngster wishing to enter the Golden Gloves competition may do so by contacting Clement at OL 5-4047.

The next scheduled bouts will be held Saturday in Amarillo at 405 Crockett. Admission is \$1 for adults, 75 cents for students and 50 cents for children under 12.

There will be between 15 and 20 bouts. They begin at 8 p.m.

Buffettes Selected

Twelve West Texas State University beauties have been selected to form "The Buffettes."

The twelve were selected by members of the "T" Club from a list of forty candidates.

Their function will be to assist the cheerleaders at the Buffs home basketball games. They will display their uniforms and make their first appearance at the North Texas game December 2.

"The Buffettes" will sit in the middle of the "white shirt" section and help boost the student body spirit and moral.

The "white shirt" section will consist of students dressed in white shirts on the south side of the gym. They will start at mid-court and spread in both directions.

"The Buffettes" include Janice Adkinson, a sophomore from Abilene; Judy Atkins, a sophomore from Plainview; Karen Brewster, a freshman from Canyon; Joan Brown, a junior from Seagraves; Myesdia Campbell, a sophomore from Borger; Penny Frankenfield, a junior from Allentown, Pa.; Jill Gist, a freshman from Seminole.

Others are Emma Kay Holland, a sophomore from Groom; Patty Moore, a sophomore from Seminole; Sandy Phillips, a sophomore from Odessa; Toni Simmons, a sophomore from Pecos; and Linda Jean Troutman, a sophomore from Dumas.

JUNIOR BUFFALOES of Canyon were dealt a defeat Saturday with a 12-8 loss from Dumas Champs. Pictured in the front row are Mark Bagwell, Gary Hair, Allen Ebeling, Ricky Ziegler, Gary McBride, Robby Carter, Doug Fisk and Des Altmiller. On the back row are Sammy McBride, David Low, Sammy Kerbel, Ricky Brown, Tommy Greenhoe, David Warren (captain), Terry Greenhoe, Joe Ziegler, Mark Vaughn and Doug Phillips. Coach Don Kievit is standing behind the boys.

Buff Cagers Open Here Against Texas Wesleyan

The West Texas State Buffaloes open their cage season when they host Texas Wesleyan November 30.

With the opener just a little more than a week away the Buffs are looking like a well-drilled unit. But there is still certain phases of the game which they will probably be struggling in.

In the intersquad scrimmage Monday night the varsity and freshmen squads had their bright moments. Although, there were some mistakes they will probably be done away with before the opening contest.

Monday was Hall of Fame night and the proceeds from the scrimmage session will go towards entering West Texas State University in the Basketball Hall of Fame at Springfield, Mass.

A lifetime membership will be purchased with the funds. Head Buff coach Jimmy Viramontes felt it was time West Texas State did something for the foundation that has done so much for collegiate basketball.

A scrimmage was also held Thursday night for members of the newly organized Basketball Booster Club.

Improvement by the squad throughout three weeks of pre-season drills has pleased Viramontes thus far. But the veteran head coach is quick to point out that the entire squad has

a long way to go before the Buffs can count on winning its share of the season's 24 game schedule.

Its a tough schedule and the club will have to put forth a determined effort to reach its goal for the season--a winning year. Hopes are high that a winning year will be presented to the fans and followers of Buff basketball.

Basketball fortunes have not been too prosperous in the past few years at West Texas. The Buffaloes have not had a winning season since 1959-60 when an 11-9 season was posted.

Injuries and a dropout have hurt the Buffs over the past two weeks. Freshman Dickie Dickerson dropped out of school after finding himself unable to adjust to the rigid demands of ROTC. "I tried but just couldn't adjust to their program," Dickerson said. "So I have decided to withdraw from school and return home to Detroit."

A male student must be enrolled in ROTC for at least

two years to stay in school.

On the injury list are junior Dale Burrows and sophomore Gail Simpson. Burrows suffered a foot injury while Simpson is out with a strained back. Both are expected to be back in one week. Freshman Harry Lisle of Canyon will be out for at least three weeks due to a broken toe. He suffered the injury while helping to lower the bleachers in the gymnasium.

All of those who participated in the scrimmage looked good. Playing outstanding ball were 6'8 Frank Schaffer of Borger and little 5'9 James Strahan of Houston.

The freshmen unit also looked tough in battling the varsity.

West Texas' varsity will play Texas Wesleyan at 7 p.m. The freshmen contest will be played at 5 p.m.

The times were moved up so the players and fans would have an opportunity to listen to the Buffs final football contest with Texas Western the same night at El Paso.

Group Represents Amarillo Airline

A group of five men were in Canyon Friday to talk with local persons about the new Trans-Texas Airlines service which has been established in Amarillo.

The men talked with university students at West Texas State concerning the half price in fare if a student is under 22 years of age. Trans-Texas serves Texas, New Mexico, Arkansas, Louisiana, Mississippi and Tennessee.

Those men with the airline were John Fleming of Shreveport, La.; Larry Boone of Houston; Jack Alexander of San Antonio; Burt Mahon of Little Rock and Jim Cassidy of Dallas.

Accidents In County Rate High

Accidents in Randall County from January to October of this year have caused property damage estimated at \$89,533, according to the Texas Highway Patrol.

The rural traffic accident summary for this county through the month of October shows a total of 137 accidents resulting in 10 persons killed and 78 persons injured.

Eleven accidents were investigated during the month of August on Randall County rural highways. Sergeant W.E. Wells, Highway Patrol supervisor for this area, reported.

These wrecks accounted for 10 persons injured and an estimated property damage of \$13,605.

"Don't walk yourself to death," is the slogan being promoted by the highway department for the months of November and December.

During these last two months in 1962, 65 pedestrians were killed and 768 injured in collisions with motor vehicles in Texas.

Wells said the reasons for this increase in accidents involving pedestrians are due to longer hours of darkness, bad weather, pedestrians not visible to drivers, holidays and lack of drivers and pedestrians concentration.

The veteran patrol supervisor stated some tips to aid both pedestrians and drivers in avoiding accidents.

"Always wear something light colored when walking after dark. If possible, carry some kind of light and walk on the left side of the road facing traffic day or night so that you can see approaching traffic. If you have a dark colored raincoat or overcoat, put a strip or two of reflectorized material across the back and front when walking on the highway or street," he concluded.

Mrs. J. Edwin Low is pictured holding an Arabian coffee pot in her home at 2512 13th Avenue in Canyon. Mrs. Low, an active homemaker, gardener, author, and mother, is sharing her recipe for Vanilla Wafer Cake with our

readers this week. Dr. and Mrs. Low are the parents of three children, Jonathan, Martha, and David, who are all students in Canyon Public Schools.

Mrs. Edwin Low Offers Treat In Vanilla Wafer Cake Recipe

BY LORENA MILLER

Mrs. Edwin Low, a recipe collector, selected a vanilla wafer cake recipe to share with our readers this week.

Active as a homemaker, gardener, author and mother, Mrs. Low is the wife of Dr. J. Edwin Low who is associated with Neblett Hospital and Clinic. The couple has three children, Jonathan, 17, Martha, 15, and David, 9, and make their home at 2512 13th Avenue in Canyon.

Dr. Low joined the medical staff at Neblett Hospital in early March, 1963, while his wife and children stayed in Dallas until school recessed for the summer. Mrs. Low and the children moved to Canyon in June.

Dr. Low is a graduate of Southwestern Medical School in Dallas and East Texas State College in Commerce where he received BA and MA degrees. The Lows met while both were attending East Texas State College. They were married in 1944 while he was a junior student in Medical School.

A luncheon for 60 guests preceded the dedication program and Mrs. Low prepared the meal from grocery items that she had purchased six weeks before during her visit to the local grocery store, 200 miles away. "Fresh produce in the stores consisted mainly of okra and onions," she said.

The Low children, Jonathan, Martha, and David, were taught their school lessons by their mother until they were old enough to attend fifth grade. Then, they went to a boarding school about 300 miles from home.

Jonathan, 17, is attending Canyon High School where he is a senior student. He is interested in history, government, world events and politics, but has not yet selected the college he will attend. A sportsman, Jonathan has participated in track for several years and is playing his first football this year with the Eagle team.

A sophomore, Martha, 15, is especially interested in science and plans to study medicine after graduation from high school. She also takes piano lessons from Mrs. Barney Barnard and has a special love for foreign languages. At present she is taking a course in French at Canyon High School.

David, 9, attends Rex Reeves Elementary School where he is in the fifth grade. He played end for the Little Bluffs football team this fall. An avid collector, David has an insect collection from Africa that has won him several awards in a number of hobby shows.

The Low family attends the First Baptist Church, where Mrs. Low is superintendent of the College and Career Sunday School Department.

An active homemaker, Mrs. Low also spends several hours each week attending classes in creative writing and art at West Texas State University. She has written several articles on the African people for Baptist publications.

About a third of the backyard at the Low home has been converted into a garden where the family raises a few vegetables and some flowers.

"I love to sew, but I'm find-

ing less time to devote to my hobbies all the time," said Mrs. Low. She also enjoys reading biographies and does painting along with baking special dishes for her family.

"West African Currie is one of my favorite meals to serve," Mrs. Low said. The meal is based on a main dish of chicken and rice, with a dozen side dishes of vegetables and fruits.

"I remember taking hours preparing the meal for guests one time, and prior to their arrival they called to tell me that they were both feeling ill and would like to have only a bowl of soup and a glass of buttermilk," she said.

Mrs. Low's mother, Mrs. H. L. Calvert of Shreveport, La., spent several days here in early October, visiting with her daughter. A brother of Mrs. Low, Wayne Summerlin, also makes his home in Shreveport, and her sister, Mrs. J. D. Crain, is living in Big Sandy, Texas.

The youngest child of a large family, Dr. Low was reared at Campbell, in northeast Texas.

WFG Meets For Dinner

The World Friendship of Girls met Wednesday evening last week at the First Christian Church of Canyon for a supper that was provided by the Moss Richardson Class of the First Methodist Church of Canyon.

Diane Davis presided during a short business meeting that was held following the supper. The devotional program was presented by Nancy Davis.

Twenty members were in attendance for the supper and short program that followed. The next regular meeting for the World Friendship of Girls will be a Christmas party in the home of Mrs. J. C. Bellah, northeast of town. Token gifts will be exchanged at the meeting.

Museum To Exhibit Young-Hunter Work

A month-long retrospective exhibit of paintings by the late John Young-Hunter will open at Panhandle-Plains Historical Museum here on Dec. 8.

The collection is currently on show at Albuquerque, N.M. Young-Hunter, the Scottish-born painter who came to the U. S. in 1912 at the height of his European career, was one of the original group of artists who made Taos, N. M., a regional art center.

Young-Hunter set up headquarters in Taos each summer from 1917 to 1945, when he became a permanent resident. His paintings brilliantly re-

flect the scenery and people of the Taos area and are cherished by collectors and persons interested in the work of Southwestern painters.

Mrs. Young-Hunter will be honored at a public reception at Panhandle-Plains Museum from 2 to 5 p.m. on Dec. 8. Plans also call for a private dinner for Mrs. Young-Hunter and Mr. and Mrs. K. W. Co-

The J. T. Grahams spent last weekend at Sudan where they visited with her brothers, D. C. Terrell and L. D. Terrell, and their families.

The Grahams also visited with friends in Amherst and Littlefield before returning to Canyon.

Mrs. Josie A. Combs attended the Womble Kinship Club meeting held last Saturday in Hereford at the new home of Mr. and Mrs. Bennie Womble.

use the evening of Dec. 7. Co-

use is the son of the late Irving Couze of Taos, famed painter of Southwestern scenes. Attending the dinner will be Dr. and Mrs. James P. Cornette, Mr. and Mrs. Levi Cole, Mr. and Mrs. Boone McClure, and Mrs. Olive Bugbee, museum art director.

Jess Rhodes Is Honored

Jess Lynn Rhodes, Jr., son of Mr. and Mrs. Jess L. Rhodes, Sr., 2414 Ninth Avenue, is among 23 juniors and seniors at Harding College, Searcy, Arkansas, named to the 1963-64 edition of "Who's Who in American Universities and Colleges."

The annual publication lists outstanding students in educational institutions throughout the nation. Selection is based on achievements in scholarship, leadership and extracurricular activities.

Rhodes, a senior chemistry and Bible major, was Religious Chairman for the Student Association last year. He is a member of the Mohican men's social club, Pi Kappa Delta, A Cappella chorus and is a wing counselor in the men's dormitory and a chemistry laboratory assistant.

Visiting with Mrs. Worth Jennings, Sr. last week was her daughter, Mrs. Martin Phillips, from Olton.

Mrs. Phillips and Mrs. Jennings spent last Friday evening in Spearman visiting with another daughter of Mrs. Jennings, Mrs. Vester Hill, and family.

Mrs. Phillips spent several days in Canyon with her mother after returning from Spearman.

"Homemaking is a challenge that I enjoy," said Mrs. Low, known as Anita by her friends. The real challenge began for Mrs. Low when she moved to Nigeria, on the west coast of Africa, with her husband, to serve as medical missionaries to the native tribes.

Dr. and Mrs. Low first went to Nigeria in early 1950 and were assigned to the Yoruba tribe in south Nigeria, a region populated with natives and white peoples from several countries.

"The Yoruba tribe was more advanced than some tribes that we worked with, and they came to the hospital for treatment without having to be educated to the idea," commented Mrs. Low. The Lows spent six years working with the Yorubas and later were assigned to a section of Nigeria that was inhabited predominantly by members of the Hausa tribe. A superstitious people, the Hausas were hesitant about seeking treatment at the new 32-bed hospital that was built by the Lows and their associates. "We had to educate these people to the idea of seeking treatment early enough to prevent serious illnesses," Mrs. Low said.

As a housewife in Nigeria, Mrs. Low baked bread for the family meals each week. She also raised a garden during the annual five month rainy season and did a lot of home canning from her garden to feed her growing family during the long seven month drought each year.

"We had an abundance of wild game and meat in the area and our menu was definitely a high protein diet for this reason," Mrs. Low said. Because of the lack of hotels and other public guest accommodations, Mrs. Low was often hostess for visiting missionaries and doctors in the isolated community. A special guest in the Low home in 1962 was Billy Graham, the evangelist, who dedicated a new hospital at Kantaqora Stations in northern Nigeria.

Mr. Barton and his wife, Sarah, had lived in Canyon at 1503 Eighth Avenue for six months before his death.

Funeral services for the Panhandle pioneer were held in LaGrone Funeral Chapel Monday at 2:30 p.m. Burial was in Dreamland Cemetery. Rev. Newton Starnes officiated and Rev. Alvis Cooley, pastor of the Panhandle Methodist Church, assisted.

Pallbearers were Ed Lepper, Luther Wesley, Charles Ray Kelso, Hugh Kelso, L.D. Caldwell and Harley Wayne Wesley.

Mr. Barton was born January 14, 1882, in Elmer, Louisiana to William and Georgia Barton. He came to the Panhandle 50 years ago from Quail, Texas. He and his wife Sarah Edwards, were married in Quail December 1907.

Mr. Barton was a retired farmer and was a mason. He is survived by his wife; two daughters, Mrs. Murray Bonfield of Panhandle and Mrs. M. A. Hollabough of Umparger; seven grandchildren; seven great grandchildren; four sisters, Mrs. Arthur Owens of Fort Worth, Mrs. Bess Connell of Amarillo; Mrs. L. L. Quarks of White Deer and Mrs. Richard Jones of Memphis.

Others include Mrs. McCutcheon by Leonida Thornton; Mr. Stanley by Larry Payne; Maggie Cutler by Angela Airhart; Dr. Bradley by Bob Carter; Harriet Stanley by Judy Sexton; Bert Jefferson by Wayne Stevens; Professor Metz by Johnny Zachery; The luncheon guests, Jerry Ray and Larry Ray; Mr. Baker by Arthur Ochoa; expressman by Joe Johnson and Lorraine Sheldon by Marie Hopper.

Sandy is played by Gary Dee Via and Beverly Carlton by Jerry Don Danner, Richard O'Dell plays Westcott and the radio technicians are Kay Harvey and Ginger Chrisman. The choir will consist of Willa Jane Elliott, Sharon Johnson, Gladene Cox and Elaine Harmon. Gary Blackburn and David Penn are the deputies and Carl Shepherd will play a plainclothes policeman.

THE MAN WHO CAME TO DINNER will be presented Nov. 22 in the Happy school auditorium at 8 p.m. by the junior class of Happy High School. Pictured above are Wayne Stevens, Angela Airhart, Maria Hopper as Lorraine, and Tom Moudy as Banjo. Jim Mc-

Grand Jury Returns 7 True Bills

The Randall County grand jury last week returned indictments against seven persons, three of whom are not in custody.

Indictments were returned against the following:

Robert Harris, 1945 NW 13th, Amarillo, forgery and passing a forged instrument; Arthur Leon Slaton, Rome, Ga., felony theft; Allen Leonard Truelove, 2901 Spring, Amarillo, burglary; George N. Whittier, Knoxville, Tenn., felony theft.

George Dowlen, acting criminal district attorney for Randall County, said Whittier entered a plea of guilty to the indictment and was given five years' adult probation.

Albert Fleming, 1401 N. Lake, Amarillo, entered a plea of guilty to charges of forgery and passing a forged instrument and was sentenced by Dist. Judge Gene Jordan to serve seven years in the penitentiary.

Fleming was remanded to Potter County custody to face charges of forgery at Amarillo.

Craig Howard Given Party

Craig Howard was honored recently on his fifth birthday with a party given at his home by his mother, Mrs. Duane Howard.

Guests attending the party were served refreshments of birthday cake and ice cream. Present for the celebrated occasion were Tip Webb, Jonathan Hull, Julie Patterson, Nicky Abbott, Terry Reid and Cindy Craig.

He served as county tax collector for Hardeman County before he moved to Canyon. He owned and operated the Harper Laundry for 10 years after coming to Canyon and worked for the city of Canyon after he closed the laundry.

He was a member of the Methodist Church and was a mason.

B.E. Harper Succumbs Wednesday

Bennie Easley Harper, 74, died at 10:30 a.m. Wednesday in St. Anthony's Hospital in Amarillo following a brief illness.

Mr. Harper, who resided at 1909 Eighth Avenue in Canyon, had been in the hospital for six days prior to his death.

Funeral services were conducted at 10:30 Friday morning in the First Methodist Church in Quanah by Rev. Newton Starnes, pastor of the First Methodist Church in Canyon.

He was assisted by Rev. J.B. Thompson, pastor of the First Methodist Church in Memphis.

Burial followed in Quanah Cemetery under the direction of LaGrone Funeral Chapel.

Pall bearers for the services were S.N. Mitchell, Jr., Jack Merrick, Doyle Stevenson, Jack Hurst, Reginald Greenhaw and Ross B. Magee.

Honorary pall bearers were J. L. Elbert, Ross Magee, Rex Sullivan, Corbet Howard, Irl Hollingworth, Hubert Garner, Lega Richardson, Jimmy Robinson, A. R. Morgan, R. C. Yarborough and Dr. David Aronofsky.

Mr. Harper was born in Quanah May 9, 1889. He married Joe Mae Bowman in Quanah August 10, 1912 and the couple moved to Canyon 16 years ago.

CANYON BUSINESS REVIEW and BUYER'S GUIDE

Have windshield trouble? You shouldn't have, with Canyon Glass and Trim so handy to Canyon residents.

Canyon Glass and Trim, owned and operated by Roger Schrib, offers area folks the best in windshield installation. If your front, back or side windows are cracked, just drive by Canyon Glass and Trim at 605 23rd Street and ask Roger about his services.

"We can install a windshield properly within 3 to 5 hours," Schrib says.

Roger was born in Hale Center in 1929 and was reared in Nocona. He and his wife Carol have three children, Gary Don 12, Cindy Kay 11, and Debra Carol, 10.

And speaking of Carol Schrib, she is the seat cover expert at Canyon Glass and Trim. She is the one who can fix any tear or rip in the car, and she is eager to suggest a material for new seat covers from the large, complete stock of materials at Canyon Glass and Trim.

Carol and Roger have been working together since 1959 when their business began operation.

Also working in the shop is John Anderson. John is the furniture expert and is ready to reupholster your sofa, chair or any piece of furniture you think needs a face-lifting.

John has been with Canyon Glass and Trim for four months. He is a 1963 graduate of West Texas State University and he and his wife, Norma Sue, have one son, Logan, 16 months.

"We do what others in town won't do," says Roger, Carol and John about the work done at Canyon Glass and Trim.

So drop in and see the huge stock of automotive and furniture materials and U.S. Nagahydes offered at Canyon Glass and Trim, 605 23rd Street.
